Notification, suspicion and investigation of disease

8. Notification of disease or suspected disease
9. Notice of suspicion of disease
10. Suspicion of disease in animals in transit
11. Veterinary inquiry into the existence of disease and declaration of suspect premises and infected premises
12. Separate production units
13. Tracing of possible disease spread
14. Maintenance of measures in respect of premises
15. Declaration of temporary control zone
16. Measures applicable in respect of a temporary control zone
17. Supplementary measures in respect of a temporary control zone: straying of susceptible animals
18. Declaration of supplementary movement control zone
19. Measures applicable in respect of a supplementary movement control zone

Status: Point in time view as at 28/06/2013.

Changes to legislation: There are currently no known outstanding effects for the The Foot-and-Mouth Disease (Scotland) Order 2006. (See end of Document for details)

PART 3

Measures following confirmation of disease

20. Tracing of products originating on infected premises
21. Notice of intention to slaughter animals
22. Sampling and clinical examination of susceptible animals before slaughter
23. Place of slaughter
24. Slaughter: control of carcasses
25. Slaughter: control of faecal material
26. Slaughter: isolation of things liable to spread disease
27. Slaughter: cleansing and disinfection of premises other than slaughterhouses and border inspection posts
28. Slaughter: cleansing and disinfection of slaughterhouses and border inspection posts
29. Restocking of premises
30. Declaration of protection and surveillance zones on confirmation of the disease in Scotland
31. Declaration of protection zones and surveillance zones on confirmation of the disease in England or Wales
32. Protection zones and surveillance zones: general provisions
33. Measures applicable in respect of protection zones and surveillance zones
34. Veterinary inspection of premises in protection zones and surveillance zones
35. Power to prohibit entry to land or agricultural buildings in a protection zone
36. Amendment and revocation of declarations creating protection zones and surveillance zones
37. Declaration of restricted zone
38. Measures applicable in restricted zones
39. Confirmation of the disease in wild animals and declaration of a wild animal infected zone
40. Measures applicable in wild animal infected zones

PART 4

Horses

41. Specific provision as to the movement of horses

PART 5

General and supplementary provisions

42. Production of licences and unloading after certain licensed movements of susceptible animals
43. Further provision relating to certain premises
44. Duty of the local authority to erect signs
45. Cleansing and disinfection of vehicles transporting susceptible animals
46. Cleansing and disinfection of vehicles: provision of facilities, equipment and materials
47. Marks applied under this Order
48. Change of occupation of premises under restriction
49. Reasonable assistance
50. False information
51. Production of records

52. Compliance with notices and directions
53. Retention of records
54. General powers of veterinary inspectors to take action to prevent the spread of disease
55. Powers of inspectors in case of default
56. Offences by body corporate
57. Offences: no knowledge of restriction or requirement
58. Enforcement

PART 6

Amendments and revocations

59. Amendment to the Diseases of Animals (Approved Disinfectants) Order 1978
60. Amendment to the Foot-and-Mouth Disease (Ascertainment of Value) (Scotland) (No. 4) Order 2001
61. Revocations
Signature
