EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Plant Protection Products (Scotland) Regulations 2005 (“the principal Regulations”) which implement in Scotland Council Directive [91/414/EEC](#) concerning the placing of plant protection products on the market (“the Directive”).

A new definition for Annex I of the Directive is substituted to the effect that references to that Annex are references to it as amended from time to time (regulation 3). Schedule 1 to the principal Regulations is revoked (regulation 4). Regulation 5 revokes the Plant Protection Products (Scotland) Amendment Regulations 2007, the main purpose of which was to amend the definition of “the Directive” in the principal Regulations so as to implement specified Commission Directives.
