**2007 No. 494**

**The Import and Export Restrictions (Foot-and-Mouth Disease) (Scotland) (No. 6) Regulations 2007**

**PART 2**

**Import and export: animals, meat and meat products**

**Dispatch, transit and export of animals**

**6.—**(1) No person shall dispatch any live animal of a bovine, ovine, caprine, porcine or other biungulate species.

(2) By way of derogation from paragraph (1), a person may export an animal originating outside the restricted area if the—

- (a) animal has made a direct and uninterrupted transit through that area travelling only on main roads or railway lines; and
- (b) conditions in paragraphs (3) and (4) are met for an export is to another member State.

(3) No person shall export the animal unless at least three days before export the Scottish Ministers have notified the central and local veterinary authorities of the member State of the intended export.

(4) The animal must be accompanied by a health certificate which bears in the case of—

- (a) a bovine, porcine, ovine and caprine animal, the words—

“Animals conforming to Commission Decision [2007/554/EC](#) of 9th August 2007 concerning certain protection measures against foot-and-mouth disease in the United Kingdom”; and
- (b) any other animal, the words—

“Live biungulates conforming to Commission Decision [2007/554/EC](#) of 9th August 2007 concerning certain protection measures against foot-and-mouth disease in the United Kingdom”.
