**The Infant Formula and Follow-on
Formula (Scotland) Regulations 2007**

Export of infant formula to third countries

26.—(1) No person shall export to a third country any infant formula which contravenes or fails to comply with the requirements, prohibitions and restrictions set out in—

- (a) regulation 5, 6, 8, 10, 11, 12, 14(1), (2) or (3), 17, or 19;
- (b) the Codex Standard for Infant Formula established by the Codex Alimentarius⁽¹⁾;
- (c) The Food (Lot Marking) Regulations 1996⁽²⁾.

(2) No person shall export to a third country a product which is represented as suitable for satisfying by itself the nutritional requirements of normal healthy infants during the first 4 to 6 months of life unless that product is infant formula.

(1) Codex Stan 72-1981, volume 4, Codex Alimentarius, 1981.

(2) S.I.1996/1502.
