

SCHEDULE 3

Biosecurity measures

4. A person in charge of any vehicle entering or leaving premises must ensure that—
 - (a) its wheels, wheel arches and mudflaps are cleansed and disinfected; and
 - (b) its outside is not visibly soiled with mud, animal or bird faeces or any similar matter.

Changes to legislation:

There are currently no known outstanding effects for the The Avian Influenza (H5N1 in Wild Birds) (Scotland) Order 2007, Paragraph 4.
