2007 No. 62

The Avian Influenza (H5N1 in Poultry) (Scotland) Order 2007

Duties on the occupier of premises to which the carcasses of wild game birds are sent

13. The occupier of premises to which the carcass of any wild game bird from a protection, surveillance or restricted zone is sent must ensure that meat from that bird is obtained, cut, transported and stored separately from other meat.

Changes to legislation:

There are currently no known outstanding effects for the The Avian Influenza (H5N1 in Poultry) (Scotland) Order 2007, Section 13.
