
SCOTTISH STATUTORY INSTRUMENTS

2007 No. 62

The Avian Influenza (H5N1 in Poultry) (Scotland) Order 2007

Establishment of a restricted zone on confirmation of avian influenza of subtype H5N1 in poultry

8.—(1) This article applies if the Chief Veterinary Officer (Scotland) confirms that—

- (a) highly pathogenic avian influenza virus of the H5 subtype is present in poultry or in a poultry carcase in Great Britain; ^{F1}...
- (b) the neuraminidase virus type is N1 [^{F2}, and
- (c) the Chief Veterinary Officer (Scotland) is of the opinion that the virus is a significant risk to animal and human health.]

(2) The Scottish Ministers must declare a restricted zone under article 26(5) of the Avian Influenza Order if the poultry or carcase in which highly pathogenic avian influenza of subtype H5N1 is confirmed was found—

- (a) in Scotland; or
- (b) in England, less than 10 kilometres from the border with Scotland.

Textual Amendments
