**2008 No. 158**

**The Products of Animal Origin (Disease  
Control) (Scotland) Order 2008**

**PART 2**

Control of meat from restricted animals or restricted poultry

**Game handling establishments**

**12.**—(1) The occupier of a game handling establishment may only receive restricted meat if that establishment is designated.

(2) The occupier of a game handling establishment where disease is suspected or has been confirmed must detain all meat in the game handling establishment until a veterinary inspector notifies that occupier that the inspector is satisfied that detention of all or some of that meat is no longer necessary to reduce the risk of transmission of disease.

**Changes to legislation:**

There are currently no known outstanding effects for the The Products of Animal Origin (Disease Control) (Scotland) Order 2008, Section 12.
