

SCOTTISH STATUTORY INSTRUMENTS

**2008 No. 233**

**AGRICULTURE**

**The Rural Development Contracts (Rural Priorities)  
(Scotland) Amendment Regulations 2008**

<i>Made</i>	- - - -	<i>5th June 2008</i>
<i>Laid before the Scottish Parliament</i>	- - - -	<i>6th June 2008</i>
<i>Coming into force</i>	- -	<i>28th June 2008</i>

The Scottish Ministers make the following Regulations in exercise of the powers conferred by section 2(2) of the European Communities Act 1972 <sup>M1</sup> and all other powers enabling them to do so.

**Marginal Citations**

**M1** 1972 c. 68. Section 2(2) was amended by the [Scotland Act 1998 \(c. 46\)](#), [Schedule 8](#), paragraph 15(3). The functions conferred upon the Minister of the Crown under section 2(2) of the European Communities Act 1972, insofar as within devolved competence, were transferred to the Scottish Ministers by virtue of section 53 of the Scotland Act 1998.

**Citation, commencement and extent** **S**

1. These Regulations may be cited as the Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 and come into force on 28th June 2008.

**Amendment of the Rural Development Contracts (Rural Priorities) (Scotland) Regulations 2008** **S**

2. The Rural Development Contracts (Rural Priorities) (Scotland) Regulations 2008 <sup>M2</sup> are amended in accordance with regulations 3 to 7.

**Marginal Citations**

**M2** [S.S.I. 2008/100](#).

**Amendment to regulation 2** **S**

3. In regulation 2 (interpretation) for the definition of “area related options” substitute—

*Status: Point in time view as at 28/06/2008.*

*Changes to legislation: There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked). (See end of Document for details)*

““area related options” means those rural priorities options numbered 15 to 57, 60 and 61 and 74 to 77 in Schedule 2;”.

**Amendment to regulation 9** **S**

4. In regulation 9 (undertakings) in paragraphs (5) and (6), after “numbered 15 to 57” insert “and 74 to 77”.

**Amendment to regulation 12** **S**

5. In regulation 12 (claims and payment) in paragraph (3)(a), after “area related options” insert “(except those area related options numbered 74 to 77)”.

**Amendment to Schedule 1** **S**

6. In Schedule 1 (interpretation of schedules) after the definition of “farmed deer” insert–  
““favourable condition” means in relation to the features for which SSSI sites or European sites are designated that such sites are (1) in satisfactory condition as determined by SNH or (2) recovering, with the necessary management measures in place, such that SNH predicts that such sites will in due course reach satisfactory condition;”.

**Amendment to Schedule 2** **S**

7. In Schedule 2 (rural priorities options)–  
(a) in rural priorities option numbered 57 (specialist agri environment plan) in column 2, after “numbered 15 to 56” insert “and 74 to 77”; and  
(b) at the end of the table in Part 1 (Option, Activities and Eligibility Conditions and Rates of Payment), insert the entries for the four options set out in columns 1, 2 and 3 of the Schedule to these Regulations.

SCHEDULE **S**

Regulation 7

<i>Column 1 Option</i>	<i>Column 2 Activity and eligibility conditions</i>	<i>Column 3 Rate of Payment</i>
74. Removal of vegetation/ debris from SSSI Sites notified for their geological features	<p>(1) This is a capital item with a 5 year commitment attached.</p> <p>(2) A beneficiary is eligible for payment under this option for the removal of vegetation and/or debris on SSSI Sites notified for their geological features where—</p> <p>(a) such features have been assessed by SNH as being in unfavourable condition due to encroaching vegetation and/or accumulating debris; or</p> <p>(b) SNH confirms that these features are at risk of falling into unfavourable condition due to encroaching vegetation and/or debris.</p> <p>(3) The beneficiary must—</p> <p>(a) submit a management plan to the Scottish Ministers detailing how they will manage the site to benefit the geological features by removing—</p> <p>(i) accumulating debris; and/or</p> <p>(ii) trees, tree saplings and scrub;</p> <p>(b) keep a copy of the management plan and provide this</p>	Up to 100% of actual costs.

**Status:** Point in time view as at 28/06/2008.

**Changes to legislation:** There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked). (See end of Document for details)

on request by the  
Scottish Ministers.  
The management  
plan must—

- (i) describe  
the area of  
conservation  
value that  
will benefit  
from the  
management;
  - (ii) state the  
extent of the  
vegetation/  
debris to be  
removed;
  - (iii) describe  
the type of  
management  
and treatments  
to be used to  
achieve this,  
including any  
follow up  
action; and
  - (iv) mark the areas  
on a 1:10,000  
scale map;
- (c) provide a report  
to the Scottish  
Ministers on  
submission of a  
claim for payment of  
aid, that includes—
- (i) details of the  
methods of  
removal used;
  - (ii) details of the  
time spent on  
removing the  
vegetation and/  
or debris, if  
the beneficiary  
carries out the  
works;
  - (iii) details of the  
locations where  
the vegetation  
and/or debris

was cleared  
from; and

- (iv) photographic evidence of the work carried out.

(4) A beneficiary may make only one claim for payment under this option in any 5 years. A one off payment will be paid in arrears.

#### 75. Erosion Control

(1) This is a capital item with a 5 year commitment attached. Up to 100% of actual costs.

(2) A beneficiary is eligible for payment under this option where a beneficiary carries out erosion control works as part of a management plan aimed at achieving the favourable condition of features for which SSSI Sites or European sites were notified.

(3) The beneficiary must–

(a) submit a management plan that–

- (i) demonstrates an understanding of the erosion processes affecting the site;
- (ii) considers the implications of controlling the erosion;
- (iii) provides details about intended management, where and when works will take place, what the benefits will be and how

**Status:** Point in time view as at 28/06/2008.

**Changes to legislation:** There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked). (See end of Document for details)

these will be monitored; and

- (iv) if features are being affected by other herbivores, includes measures to address these impacts and the impacts of burrowing animals in an integrated way;
- (b) for sites affected by coastal erosion, obtain specialist advice and consult with the relevant local authority;
- (c) where controlling burrowing animals—
  - (i) does so through a control programme agreed with the Scottish Ministers; and
  - (ii) complies with all appropriate legislation and relevant Codes of Practice as outlined in the programme guidance.

(4) A beneficiary may make only one claim for payment under this option in any 5 years. A one off payment will be paid in arrears.

**76. Renewable energy powered pumps for water troughs** (1) This is a capital item with a 5 year commitment attached. Up to 100% of actual costs.

(2) A beneficiary is eligible for payment for a pump under this option where the

**Status:** Point in time view as at 28/06/2008.

**Changes to legislation:** There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked). (See end of Document for details)

pump installed is powered by renewable energy (solar, wind or water power) and is to provide water to a trough for livestock.

(3) A beneficiary may make only one claim for payment under this option in any 5 years. A one off payment will be paid in arrears.

77. Capital works required for features for which SSSI Sites and European sites were notified to help bring them into favourable condition

(1) This is a capital item with a 5 year commitment attached. Up to 100% of actual costs.

(2) A beneficiary is eligible for payment under this option on land on or adjacent to SSSI Sites and European sites for capital works aimed at bringing the features for which the SSSI Site or European site was notified into favourable condition.

(3) The beneficiary must agree the eligible costs in advance with the Scottish Ministers.

(4) A beneficiary may make only one claim for payment under this option in any 5 years. A one off payment will be paid in arrears.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Rural Development Contracts (Rural Priorities) (Scotland) Regulations 2008 (“the 2008 Regulations”) which introduce measures to supplement Council Regulation (EC) No. 1698/2005 (O.J. No. L 277, 21.10.2005, p.1) (“the Council Regulation”) which lays down general rules governing Community support for rural development (financed by the European Agricultural Fund for Rural Development established by Council Regulation

**Status:** Point in time view as at 28/06/2008.

**Changes to legislation:** There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked). (See end of Document for details)

(EC) No. 1290/2005 (O.J. No. L 209, 11.8.2005, p.1)) and Commission Regulation (EC) Nos. 1974/2006 (O.J. No. L 368, 23.12.2006, p.15) and 1975/2006 (O.J. No. L 368, 23.12.2006, p.74) laying down detailed rules for the application of the Council Regulation.

The 2008 Regulations provide for the payment of aid to be made available by the Scottish Ministers from the Scotland Rural Development Programme 2007 13 to any person who enters into an undertaking with the Scottish Ministers to carry out, or as the case may be, carry out and maintain the activities relevant to at least one of the rural priorities options set out in Schedule 2, and where relevant one or more than one of the capital items set out in relation to a particular rural priorities option or set out in Schedule 3.

The Regulations amend the 2008 Regulations by inserting four capital item rural priorities options into Schedule 2 (regulation 7).

The Regulations also make the necessary consequential amendments to the 2008 Regulations following the addition of the four rural priorities options (regulations 3 to 6).

**Status:**

Point in time view as at 28/06/2008.

**Changes to legislation:**

There are currently no known outstanding effects for the The Rural Development Contracts (Rural Priorities) (Scotland) Amendment Regulations 2008 (revoked).
