**2009 No. 173**

**The Swine Vesicular Disease (Scotland) Order 2009**

**PART 2**

**General**

**Approvals and other measures**

**9.** An approval, declaration, designation, direction or notice under this Order must be in writing, and may be—

- (a) subject to conditions or other measures necessary to prevent the spread of swine vesicular disease; and
- (b) amended, suspended or revoked in writing at any time.
