2009 No. 378

The Planning (Control of Major–Accident
Hazards) (Scotland) Regulations 2009

Transitional provision: existing consents

4. Where amendments made to the Hazardous Substances Regulations by virtue of regulation 3(4) result in a substance, mixture or preparation being renamed or re-categorised then such amendments shall not affect the validity of any hazardous substances consent granted in respect of such substance, mixture or preparation before the date on which these Regulations come into force.
