2009 No. 414

**The Sheep and Goats (Records, Identification
and Movement) (Scotland) Order 2009**

PART 2

Application of identification

Animals sent for export

9.—(1) A keeper must identify all animals consigned for export in accordance with Article 4(2) (a) and (b) and Article 9(3) of the Council Regulation.

(2) The keeper of an animal consigned for export which bears means of identification containing different individual identification codes must apply to the animal an eartag containing the same individual identification code as one of the existing means of identification.

(3) The means of identification to be applied under this article must be applied, at the latest, before the animal leaves the holding from which it is consigned for export.

(4) A keeper must ensure that all animals consigned for export comply with the [^{F1}following requirements—

- (a) have been continuously present on the holding of origin for at least 30 days, or since birth if the animals are younger than 30 days of age,
- (b) do not come from a holding into which ovine or caprine animals have been introduced during the 21 days prior to dispatch,
- (c) do not come from a holding into which biungulate animals imported from a third country have been introduced during the 30 days prior to dispatch.]

[^{F2}(5) For the purposes of paragraph (4), a holding of origin means any holding on which the ovine and caprine animals have been continuously present and on which records are maintained demonstrating the residence of the animals which may be audited.]
