

SCHEDULE 2

TSE monitoring

PART 1

Monitoring for TSE

Destruction without sampling

4. Any person who destroys the body of a bovine animal to which paragraph 2(1) applies before it has undergone sampling at an approved sampling site, except in accordance with a direction of the Scottish Ministers, commits an offence.

Changes to legislation:

There are currently no known outstanding effects for the The Transmissible Spongiform Encephalopathies (Scotland) Regulations 2010, Paragraph 4.
