## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the European Fisheries Fund (Grants) (Scotland) Regulations 2007 (“the principal Regulations”). They make amendments designed to ensure that Scottish Ministers may pay public aid as part of the national contribution required when assistance from the European Fisheries Fund is granted, whether or not the amount of such aid is calculated by reference to eligible expenditure incurred by the beneficiary.

The regulations replace references to “Community aid”, “Community fishing vessel” and “European Community” with references to “EU aid”, “EU fishing vessel” and “European Union” and the definition of “the Commission” to reflect changes in terminology following the coming into force of the Lisbon Treaty on 1st December 2009 (regulations 2(3), (b), (c), (d), (e), (f) and (g), and 2(6)(b)). Regulation 2(3)(a) and 2(5)(a) make minor clarifying amendments to the principal Regulations.

They substitute a new definition of “grant” in the principal Regulations to provide that a grant is a payment made under these Regulations and includes a payment towards eligible expenditure (regulation 2(3)(f)).

They amend the principal Regulations to provide that the circumstances in which financial assistance may be paid includes applications made under regulation 5, which comprise an application for eligible expenditure (regulation 2(4)(b)).

They introduce amendments which will provide that financial assistance may be paid to an applicant who provides evidence of expenditure incurred, (where a payment towards eligible expenditure is sought), and (in the case of all applications made for financial assistance) evidence that the approved operation has been executed (regulation 2(5)).

They also amend the powers available to authorised officers to enforce the principal Regulations, to provide that such powers are exercisable by an authorised officer in relation to Scottish fishing boats wherever they may be (regulation 2(6)(a) and (c)) and an amendment is also made to the extent provisions of the principal Regulations to reflect these changes (regulation 2(2)).

No Regulatory Impact Assessment has been prepared in respect of these Regulations.
