2010 No. 393

The Fire Safety (Scotland) Amendment Regulations 2010

Amendment of the Fire Safety (Scotland) Regulations 2006

2. After regulation 20 (training) of the Fire Safety (Scotland) Regulations 2006(1) insert—

“Capabilities

20A. An employer with duties under section 53 must, when entrusting tasks to an employee, take into consideration the employee’s capabilities as regards health and safety, so far as those capabilities relate to fire and are relevant to those tasks.”.
