

## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order reconstitutes the Mallaig Harbour Authority in line with the recommendations of the Trust Ports Review, published by the Department of the Environment, Transport and the Regions in January 2002 and endorsed by the Scottish Executive. Mallaig Harbour Authority was constituted by The Mallaig Harbour Revision Order 1968 and is a Trust Port classified as a fishery-marine work (Page 52 of The Ports Review).

The Order amends certain existing statutory requirements and revokes certain statutory provisions.
