2012 No. 177

**The Trade in Animals and Related
Products (Scotland) Regulations 2012**

PART 3

Importation from a third country

Appointment of official veterinarians and official fish inspectors

10.—(1) The enforcement authority must appoint suitably trained veterinary surgeons for the purpose of carrying out regulatory functions under these Regulations at [^{F1}border control posts].

(2) If the approval for a [^{F2}border control post] permits the importation of [^{F3}fishery products, aquatic invertebrates, live bivalve molluscs, live enchinoderms, live tunicates and live marine gastropods intended for human consumption], the local authority may appoint suitably trained officers to be official fish inspectors for that post in relation to fish and fishery products, and that inspector has all the powers of an official veterinarian in relation to those products.
