2012 No. 360

The Pollution Prevention and
Control (Scotland) Regulations 2012

PART IV
STANDARD RULES

Standard rules: revocation

- 42.**—(1) SEPA must publish any revocation of standard rules made by or notified to it.
- (2) SEPA must not include a standard rules condition relating to revoked rules in a permit after such publication.
- (3) A standard rules condition included in a permit before any revocation will apply until the permit is varied, and the revoked rules continue to have effect in relation to the permit until the variation.
- (4) SEPA must vary a permit affected by a revocation as soon as reasonably practicable after publication of the revocation.
