

SCHEDULE 6

COMPENSATION FOR OFF-SITE CONDITIONS

1. This Schedule applies in any case where—
 - (a) an operator is required by an off-site condition to carry out works, or do any other thing, in relation to land not forming part of the site of the installation,
 - (b) a person whose consent is required has granted to the operator a right in relation to the land under regulation 24(2) (an “off-site right”), and
 - (c) the off-site right, or that right together with any other right, is such as will enable the operator to comply with the off-site condition.
