
SCOTTISH STATUTORY INSTRUMENTS

2013 No. 12

**The Energy Performance of Buildings
(Scotland) Amendment Regulations 2013**

Recommendations report

5. In regulation 6A (recommendations report)—
- (a) in paragraph (1)—
 - (i) omit “and” following sub-paragraph (a); and
 - (ii) at the end of sub-paragraph (b) insert—
“; and
 - (c) where the building or building unit to which the recommendation report relates is a green deal property, green deal information for every green deal plan in respect of that building or building unit”;
 - (b) in paragraph (2) after “unit” insert “or green deal information”; and
 - (c) after paragraph (2) insert—
“(3) A recommendations report must not contain any information relating to a green deal plan for which the payment period has finished.”.
