

SCHEDULE 2

Registers under section 36(1)

Certificates of lawful use or development

5. The register kept by the planning authority must also contain the following information in respect of every application for a certificate under section 150 or 151 of the Act submitted to the authority—

- (a) the name and address of the applicant;
- (b) the date of the application;
- (c) the address or location of the land to which the application relates;
- (d) the description of the use, operations or other matter included in the application;
- (e) the decision (if any) of the planning authority in respect of the application and the date of such decision; and
- (f) the reference number, date and effect of any decision of the Scottish Ministers on an appeal in respect of the application.
