2013 No. 337

**The Bovine Viral Diarrhoea (Scotland)
Amendment (No. 2) Order 2013**

Amendment of the 2013 Order

15. After article 23 insert—

“Notification of BVD finding prior to movement of a breeding herd or breeding bovine animal

23A.—(1) This article applies where the keeper of a breeding herd or breeding bovine animal—

- (a) is proposing to move (or arrange to move) the herd or animal off the holding on which the herd or animal is kept other than for the purpose of slaughter; and
- (b) has not been informed by a person mentioned in paragraph (2)(a) to (c) that the person is aware of the current BVD finding for that herd or animal.

(2) Where this article applies, the keeper must give, prior to the movement of any animal forming part of the herd or the breeding bovine animal, notice of the current BVD finding to—

- (a) the operator of a market to which the herd or animal is to be moved;
- (b) the prospective keeper of the herd or animal; or
- (c) any person with whom the herd or animal is to be temporarily placed.”.
