

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE

Letting Agent Code of Practice

SECTION 8

Handling landlords' and tenants' money, and insurance arrangements

Professional indemnity arrangements

130. You must have, and maintain, adequate professional indemnity insurance that is appropriate for your agency's level of income and type of work unless you can demonstrate equivalent or greater protection through another body or membership organisation.
