**2017 No. 133**

**The Cattle Identification (Scotland)  
Amendment Regulations 2017**

**Amendment of schedule 4**

9. In schedule 4 (records)—

(a) for paragraph 1(2)(ii) and (iii), substitute—

“(ii) in the case of animals born on the holding for which the register is kept, the identification code of the dam (in the case of embryo transfer, that of the surrogate dam and, if known, genetic dam).”;

(b) in paragraph 1(4)(a) and (e), where it occurs in both heads, for “36” substitute “48”.
