

## SCHEDULE 8

### RADIOACTIVE SUBSTANCES ACTIVITIES

#### **PART 4**

##### Local authorities

**37.** Where an authorisation requires or permits radioactive waste to be removed to a place provided by a local authority as a place for the disposal of waste, the local authority must—

- (a) accept any radioactive waste removed to that place in accordance with the authorisation; and
- (b) deal with it in the manner indicated in the authorisation.

**38.** Where a local authority or relevant water authority takes any special precautions in respect of radioactive waste disposed of in accordance with an authorisation, and those precautions are taken—

- (a) in compliance with the conditions subject to which the authorisation was granted; or
- (b) with the prior approval of SEPA as being precautions which in the circumstances ought to be taken by that authority,

the local authority or relevant water authority is entitled to make such charges, in respect of the taking of those precautions, as may be agreed between that authority and the person to whom the authorisation was granted, or, in default of such agreement, as may be determined by SEPA and to recover the charges so agreed or determined from the person to whom the authorisation was granted.

**Changes to legislation:**

There are currently no known outstanding effects for the The Environmental Authorisations (Scotland) Regulations 2018, PART 4.
