

## **POLICY NOTE**

### **THE LOCAL GOVERNANCE (SCOTLAND) ACT 2004 (REMUNERATION) AMENDMENT REGULATIONS 2018**

#### **SSI 2018/38**

The above instrument is made by the Scottish Ministers in exercise of the powers conferred by sections 11 and 16(2) of the Local Governance (Scotland) Act 2004 and all other powers enabling them to do so. It is subject to the negative procedure.

#### **Policy Objectives**

This instrument makes provision in relation to the remuneration of local authority councillors. It amends the Local Governance (Scotland) Act 2004 (Remuneration) Regulations 2007 to increase the level of remuneration payable to local authority councillors by 0.4%, which increase will take effect from 1 April 2018.

#### **Consultation**

There is no requirement for the Scottish Ministers to undertake a consultation before making a recommendation on councillors' salaries. Ministers are following the same procedure as in 2017, to increase councillors' pay annually in line with the percentage increase in the median annual earnings of public sector workers in Scotland. This information is published by the Office of National Statistics in the *Annual Survey of Hours and Earnings*.

#### **Impact Assessments**

An equality impact assessment has not been undertaken as the increase in councillors' remuneration applies to all local authority members. The Scottish Ministers have decided that a Business Regulatory Impact Assessment is not required as there is no impact on business or the third sector and the impact on the public sector (council budgets) is not expected to cause a significant financial pressure. The salary increase would be met from existing council budgets: it is estimated that for 2018-19 the total cost would be around £104,000 across all 32 councils.
