## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order empowers Caledonian Maritime Assets Limited (“CMAL”) to construct and maintain works and other harbour facilities at CMAL’s harbour at East Loch Tarbert, Isle of Harris, Western Isles. The works comprise the reclamation of land, a new roundabout junction with the A868, a pier and the construction of a new ferry terminal building.

The Order also authorises the construction of subsidiary works and confers a power to dredge for the purposes of constructing and maintaining the works.

The Order provides for new harbour limits and confers updated powers on CMAL including powers as regards the making of byelaws and issuing of general and special directions.
