The Scottish Ministers make the following Regulations in exercise of the power conferred by paragraph 1(1) of schedule 19 of the Coronavirus Act 2020⁽¹⁾ (“the Act”) and all other powers enabling them to do so.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

The Scottish Ministers consider that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with paragraph 6(2) and (3) of schedule 19 of the Act, the Scottish Ministers are of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by, a resolution of the Scottish Parliament.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of coronavirus in Scotland.

These Regulations amend regulation 4 and schedule 1 of the Health Protection (Coronavirus) (Restrictions) (Scotland) Regulations 2020 (“the Principal Regulations”).

Regulation 4 of the Principal Regulations makes provision relating to further restrictions and closures during the emergency period. Amendments are made to regulation 4(1) of the Principal Regulations, the effect of those amendments being to extend social distancing requirements to all businesses which remain open during the emergency period.

Amendments are made to regulation 4(5) of the Principal Regulations to provide that the providers of holiday accommodation, that are subject to the requirement to cease carrying on their business under regulation 4(4) of the Principal Regulations, can continue to provide information or services online, by telephone or by post.

Minor amendments are made as regards regulation 4(9) (including a new related paragraph (9A)) and schedule 1 of the Principal Regulations, to provide clarification that burial grounds and livestock markets and auctions may remain open.
