

[^{F1}SCHEDULE 4

Regulation of infant formula and follow-on formula manufactured from protein hydrolysates until 22 February 2022

Textual Amendments

- F1** Sch. 4 inserted (26.3.2021) by [The Foods for Specific Groups \(Infant Formula and Follow-on Formula\) \(Scotland\) Amendment Regulations 2021 \(S.S.I. 2021/123\)](#), reg. 1, **sch.**

Interpretation

1.—(1) In this schedule—

“the Act” means the Food Safety Act 1990,

“the Directive” means Commission [Directive 2006/141/EC](#) on infant formulae and follow-on formulae and amending [Directive 1999/21/EC](#),

“follow-on formula” means foodstuffs intended for particular nutritional use by infants when appropriate complementary feeding is introduced and constituting the principal liquid element in a progressively diversified diet of such infants,

“health care system” means institutions or organisations engaged, directly or indirectly, in health care for mothers, infants and pregnant women, including nurseries or child care institutions and health workers in private practice,

“infants” means children under the age of 12 months,

“infant formula” means foodstuffs intended for particular nutritional use by infants during the first months of life and satisfying by themselves the nutritional requirements of such infants until the introduction of appropriate complementary feeding,

“young children” means children aged between one and three years.

(2) Subject to sub-paragraph (3), any expression other than one defined in sub-paragraph (1) that is used both in this schedule and in the Act has the meaning it bears in the Act.

(3) Any expression used both in this schedule and in the Directive has the meaning that it bears in the Directive.

(4) In this schedule any reference to a numbered Annex is a reference to the Annex bearing that number in the Directive.]

Changes to legislation:

There are currently no known outstanding effects for the The Foods for Specific Groups (Infant Formula and Follow-on Formula) (Scotland) Regulations 2020, Paragraph 1.
