Penalty charges and enforcement

Imposition of penalty charges

25.—(1) A scheme may provide for the imposition of a penalty charge in any of the following circumstances—

- (a) where a person is providing a workplace parking place at any premises in respect of which a licence is required under a scheme and there is no licence in force in respect of those premises,
- (b) where a person is providing a workplace parking place at any premises in respect of which a licence under a scheme is in force in circumstances where the number of vehicles occupying workplace parking places at those premises exceeds the maximum number of workplace parking places covered by the licence,
- (c) where a condition in a licence under a scheme (other than a condition as to the number of vehicles which may occupy workplace parking places at the premises to which the licence relates) has been contravened.

(2) Where a scheme provides for the imposition of a penalty charge it must specify the period within which the charge must be paid and may specify different periods for different circumstances.

(3) A scheme may not specify under paragraph (2) a period of less than 28 days beginning with the date on which the penalty charge notice is served.

Rates of penalty charges

26.—(1) A scheme which provides for penalty charges must specify the amount of the penalty charge and may specify different amounts in different circumstances.

(2) A scheme may provide for the amount of the penalty charge to be reduced by a specified percentage if it is paid before the expiry of a specified period.

(3) A scheme may provide for the amount of the penalty charge to be increased by a specified percentage if—

- (a) it is not paid before the expiry of the relevant period,
- (b) representations in respect of the penalty charge are not made in accordance with regulation 30.

(4) Where a scheme makes provision as described in paragraph (3), it may specify different percentages for different purposes.

- (a) entered into arrangements with another person (P) for the provision by P of a parking place at those premises (whether or not for P’s own use), and
- (b) provided the local authority with such evidence of those arrangements as that authority may reasonably require.

(2) Where paragraph (1) applies, any penalty charge imposed in respect of those premises must be paid by P.

Penalty charge notices

28.—(1) Where a local authority has reason to believe that a penalty charge is payable under provision made in a scheme, it may serve a notice (a “penalty charge notice”) on the person liable to pay the charge.

(2) A penalty charge notice must state—

- (a) the amount of the penalty charge to which it relates,
- (b) the circumstances giving rise to the local authority’s belief that a penalty charge is payable by the recipient of the notice,
- (c) the period specified in the scheme within which the penalty charge must be paid,

- (d) the manner in which the penalty charge must be paid,
- (e) where the scheme so provides, the amount of the reduced penalty charge if it is duly paid before the expiry of any period specified for that purpose in the penalty charge notice,
- (f) the grounds on which the person on whom the penalty charge notice is served may make representations under regulation 30 and details of where such representations are to be sent, and
- (g) the amount of the increased penalty charge which may be payable if, before the end of the relevant period determined under regulation 29(3)—
 - (i) the penalty charge is not paid, or
 - (ii) no representations are made in accordance with regulation 30.

Charge certificates

29.—(1) This regulation applies where a scheme makes provision as described in regulation 26(3) and—

- (a) a penalty charge notice is served on a person, and
- (b) the penalty charge to which it relates is not paid before the end of the relevant period.

(2) Where this regulation applies the local authority that served the penalty charge notice may serve on that person a statement (a “charge certificate”) to the effect that the penalty charge is increased by such percentage as is specified under the scheme.

(3) The “relevant period” for the purposes of paragraph (1) means—

- (a) where a notice of rejection is served under regulation 31 but no appeal is made under regulation 32, the period of 28 days beginning with the date of service of the notice of rejection,
- (b) where there has been an unsuccessful appeal against the imposition of the charge to the First-tier Tribunal and no subsequent application for review, or review, of the First-tier Tribunal’s decision or appeal to the Upper Tribunal, the period of 28 days beginning with the date on which the decision of the First-tier Tribunal is sent to the appellant,
- (c) where an application for review of the decision of the First-tier tribunal in an appeal against the imposition of the charge has been rejected and there has been no subsequent appeal to the Upper Tribunal, the period of 28 days beginning with the date on which the decision rejecting the application for review is sent to the applicant,
- (d) where there has been an unsuccessful review of the decision of the First-tier tribunal in an appeal against the imposition of the charge and no subsequent appeal to the Upper Tribunal, the period of 28 days beginning with the date on which the decision refusing the review is sent to the applicant,
- (e) where there has been an unsuccessful appeal against the imposition of the charge to the Upper Tribunal, the period of 28 days beginning with the date on which the decision of the Upper Tribunal is sent to the appellant,
- (f) where an appeal to either the First-tier Tribunal or Upper Tribunal is withdrawn, the period of 14 days beginning with the date on which it is withdrawn, and
- (g) where no representations are made under regulation 30(1) within the payment period, that period.

(4) If representations are received by a local authority after the payment period and taken account of under regulation 30(3), the local authority must cancel a charge certificate served under paragraph (2).

(5) Where in relation to a penalty charge notice—

- (a) the relevant period for the purposes of paragraph (1) has expired, and
- (b) the increased charge for which the charge certificate provides is not paid before the end of the period of 14 days beginning with the date on which the certificate is served,

the local authority may recover the increased charge as if it were payable under an extract registered decree arbitral bearing a warrant for execution issued by the sheriff for any sheriffdom.

Representations in respect of penalty charges

30.—(1) The recipient of a penalty charge notice may make written representations within the payment period to the local authority against the decision to serve a penalty charge notice on any of the grounds specified in paragraph (4).

(2) Where representations are made under paragraph (1), the recipient of the penalty charge notice must include evidence relevant to the specified ground relied upon.

(3) The local authority may consider whether it is appropriate to take account of representations made under paragraph (1) which are received by them after the end of the payment period.

(4) The specified grounds are—

- (a) that the alleged circumstances giving rise to liability to pay the penalty charge did not occur,
- (b) that the penalty charge, including any increased charge, exceeds the amount payable in the circumstances of the case,
- (c) that the penalty charge is payable by a different person.

(5) Where the ground mentioned in paragraph (4)(c) is relied on in any representations made under paragraph (1), those representations must include a statement of the name and address (if known) of the person who is considered by the recipient of the penalty charge notice to be responsible for payment of the penalty charge.

Response to representations

31.—(1) Where representations are made to a local authority under regulation 30(1) within the payment period, or taken account of by the local authority under regulation 30(3), it must—

- (a) consider those representations and any supporting evidence provided,
- (b) serve on the person by whom the representations were made a notice under paragraph (2) or, as the case may be, paragraph (3).

(2) Where a local authority accepts that at least one of the grounds specified in regulation 30(4) is established, it must—

- (a) cancel the penalty charge notice,
- (b) serve a notice on the person by whom the representations were made—
 - (i) stating that the penalty charge notice has been cancelled,
 - (ii) explaining the local authority's decision, and its reasons for that decision, on each of the grounds on which representations were made,
- (c) refund any penalty charge paid in relation to the cancelled penalty charge notice.

(3) Where a local authority is satisfied that none of the grounds on which representations are made is established, it must serve on the person by whom those representations were made a notice of rejection.

(4) The notice of rejection must—

- (a) state the reasons for the local authority's decision on each ground on which representations were made,
- (b) state that an appeal against the imposition of the penalty charge may be made to the First-tier Tribunal within the appeal period, or such longer period as the First-tier Tribunal may allow,
- (c) state the grounds upon which an appeal may be made (being the same grounds as are specified in regulation 30(4)),
- (d) describe in general terms the manner and form for making an appeal,

- (e) state that the First-tier Tribunal has power to make an award of expenses,
- (f) where the scheme allows for it, state that if the penalty charge is paid before the end of such period as may be specified in the scheme, the penalty charge will be reduced by a percentage specified in that scheme, and
- (g) where the scheme allows for it, state that unless, before the end of the appeal period—
 - (i) the penalty charge is paid, or
 - (ii) an appeal is made to the First-tier Tribunal against the imposition of the charge,

the local authority may issue a charge certificate under regulation 29 (and describe the effect of that regulation were it to do so).

Appeal to the First-tier Tribunal

32. A person on whom a penalty charge notice has been served may, on any of the grounds set out in regulation 30(4) and before the end of the appeal period or such longer period as the First-tier Tribunal may allow, appeal to the First-tier Tribunal against the imposition of the penalty charge if—

- (a) that person has made representations to the local authority under regulation 30(1), and

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision in relation to workplace parking licensing schemes made under Part 7 of the Transport (Scotland) Act 2019 (“the Act”).

Part 2 of the Regulations makes provision about consultation, reporting and publication requirements relating to scheme proposals and schemes.

Regulation 2 specifies the steps which are to be taken by a local authority in relation to the publication of scheme proposals. Regulations 3 and 4 make provision about the information to be provided to consultees, and about publication of the report which is required to be prepared under the Act following consultation. Regulation 5 specifies the procedure to be followed in relation to giving notice of making a scheme. Schedule 1 contains associated provision with regard to information which is to be included in the notices of proposals and making of schemes.

Part 3 sets out the process for how an examination of proposals relating to a scheme may take place.

Regulation 7 allows for the appointment of a reporter to carry out the examination. Regulation 8 specifies the requirements for responses to the initiating party’s notice seeking an examination. Regulation 9 makes provision for setting the scope of examinations. Regulation 10 sets out the reporter’s obligation to initiate the procedure and establish the timetable for the examination. Under regulation 11 the reporter can ask all parties to confirm whether they want to take part in any further procedure. Notices under this regulation must refer to the fact that if a party fails to respond to the notice they may not be allowed to take part in further procedure.

Regulation 12 allows the reporter to ask for further submissions or information, within the scope of the examination, from the parties. The reporter may hold a pre-examination meeting for the purpose of considering the manner in which the examination is to be conducted in accordance with regulation 13. Regulation 14 allows the reporter to carry out the examination and prepare a report on it without further procedure where the reporter considers that no further representations or information is required. Regulation 15 requires the reporter to tell the parties if the examination will be by way of hearing or inquiry in the event that the reporter decides to carry out the examination by way of either of those procedures. The reporter may also undertake an inspection of the area to which a proposal about a scheme relates by virtue of regulation 16.

Regulation 17(1) introduces schedule 2 which specifies the procedure for hearings into an examination under section 75 of the Act. Regulation 17(2) introduces schedule 3 regarding the procedure for conducting inquiries into such an examination. Regulation 18 makes provision for the awards of expenses to be made in relation to examinations. Regulation 19 requires the reporter to send the report prepared under section 75 of the Act to the parties to the examination, and to arrange for the report to be made available on the Scottish Government website.

Part 4 makes provision about who is liable to pay the licence charge.

Part 5 makes provision in connection with reviews and appeals of licensing decisions. Regulation 22 provides that a scheme must make provision allowing for an application to be made to the local authority for a review of a decision. Regulation 23 provides a process for responding to such an application, and regulation 24 provides for a right of appeal to the sheriff against a determination of the local authority in relation to an application for review.

Part 6 makes provision in connection with penalty charges and enforcement, including reviews and appeals against penalty charges. Regulation 27 establishes the circumstances under which a person other than the registered keeper of a vehicle is to be held liable for a penalty charge.

Regulation 28 provides that penalty charge notices may be served by local authorities. Regulation 28(2) sets out the required content of a penalty charge notice.

Regulation 29 allows a local authority to serve a “charge certificate”, which has the effect of increasing the charge in question by such percentage as is specified under the scheme, on a person who has failed to pay a penalty charge within the timeframe specified in regulation 29(3).

Regulation 30 sets out the manner in which representations may be made against a penalty charge notice served under regulation 28, and the grounds on which such representations can be made.

Regulation 31 specifies the procedure and consideration that a local authority must afford to any representations received under regulation 30. This requires a local authority to provide notice of its decision in response to representations, addressing each ground on which the representations are made and stating whether it is accepted or refused by the local authority. Regulation 31(2) allows a local authority to cancel a penalty charge notice upon acceptance of a representation made under regulation 30(4). Regulation 31(3) and (4) provide that where a local authority does not accept any representations made under regulation 30 it must serve a notice of rejection which contains information as to how an appeal against that rejection may be made.

An appeal to the First-tier Tribunal against the imposition of a penalty charge may be made under regulation 32.

Part 7 makes provision in relation to accounts which must be kept in connection with schemes. It also extends the application of the requirements set out in Parts 2 and 3 to proposals to amend or revoke a scheme.

Impact assessments have been prepared in relation to these Regulations, copies of which can be obtained from Transport Scotland, Buchanan House, 58 Port Dundas Rd, Glasgow G4 0HF or online at www.gov.scot.
