Transfers in before 1 October 2023

34.—(1) This regulation applies in relation to each payment of a remediable transfer value in respect of a member (“M”) which was accepted by the scheme manager before 1 October 2023.

(2) The scheme manager must determine M’s—

- (a) overall rights in relation to the remediable transfer value in the legacy scheme;
- (b) benefits if the remediable transfer value, together with any payment accepted under paragraph (4), were applied in respect of rights in the reformed scheme.

(3) Where the sending scheme was a public service pension scheme, the scheme manager may accept a payment—

- (a) in respect of the remediable rights to which the remediable transfer value relates, and
- (b) which is made by the sending scheme pursuant to, or to provision made under, PSPJOA 2022.

(4) A payment accepted under paragraph (3) is to be used for the purpose of determining M’s benefits under a firefighters’ pension scheme on the same terms as the remediable transfer value.
