## 12 Grant of faculties, etc.

- (1) In any proceedings for obtaining a faculty, the court may grant the faculty subject to conditions, including in particular—
  - (a) a condition requiring the work authorised thereby or any part thereof to be carried out under the supervision of the archdeacon concerned or of any other person nominated by the court in that behalf;
  - (b) in the case of a faculty authorising the disposal of an article, a condition requiring a specified period to elapse before the disposal takes place.
- (2) Where the court grants a faculty to a person other than an archdeacon and considers that the work authorised thereby should be carried out (whether or not by that person), it may also order that, in default of that person carrying out the work, a faculty shall issue to the archdeacon concerned authorising him to carry out the work and, in that event, that the expenses incurred by the archdeacon in carrying out the work be paid by that person.

## 13 Orders against persons responsible for defaults.

- (1) Subject to subsection (7) below, if in any proceedings by any person for obtaining a faculty it appears to the court that any other person being a party to the proceedings was responsible wholly or in part for any act or default in consequence of which the proceedings were instituted the court may order the whole or any part of the costs and expenses of the proceedings or consequent thereon, including expenses incurred in carrying out any work authorised by the faculty (so far as such costs and expenses have been occasioned by that act or default), to be paid by the person responsible.
- (2) Subject to subsection (7) below, in any such proceedings the court may by way of special citation add as a further party to the proceedings any person alleged to be so responsible or partly responsible and not already a party and notwithstanding that such person resides outside the diocese concerned.
- (3) A special citation under subsection (2) above may require the person to whom it is issued to attend the court concerned at such time and place as may be specified in the citation.
- (4) Where at any time (whether before or after faculty proceedings have been instituted) it appears to the consistory court of a diocese that a person intends to commit or continue to commit, or cause or permit the commission or continuance of, any act in relation to a church or churchyard in the diocese or any article appertaining to a church in the diocese, being an act which would be unlawful under ecclesiastical law, the court may issue an injunction restraining the first-mentioned person from committing or continuing to commit that act or from causing or permitting the commission or continuance of that act, as the case may be.

*Changes to legislation: There are currently no known outstanding effects for the Care of Churches and Ecclesiastical Jurisdiction Measure 1991, Part III. (See end of Document for details)*

- (5) Where at any time (whether before or after faculty proceedings have been instituted) it appears to the consistory court of a diocese that a person has committed, or caused or permitted the commission of, any act in relation to a church or churchyard in the diocese or any article appertaining to a church in the diocese which was unlawful under ecclesiastical law, the court may make an order (a “restoration order”) requiring that person to take such steps as the court may consider necessary, within such time as the court may specify, for the purpose of restoring the position so far as possible to that which existed immediately before the act was committed.
- (6) An injunction under subsection (4) above may be issued and a restoration order under subsection (5) above may be made on an application made by the archdeacon concerned or any other person appearing to the court to have a sufficient interest in the matter or on its own motion.

- (9) Where proceedings for obtaining a faculty are instituted by an archdeacon or an application for a restoration order under subsection (5) above is made by an archdeacon and any fact relevant to the institution of such proceedings or the making of such an application has been deliberately concealed from him the period of six years mentioned in subsection (7) above or, as the case may be, subsection (8) above, shall not begin to run until the archdeacon has discovered the concealment or could with reasonable diligence have discovered it.
- (10) For the purpose of subsection (9) above, deliberate commission of a breach of duty in circumstances in which it is unlikely to be discovered for some time amounts to deliberate concealment of the facts involved in that breach of duty.
- (11) Failure to comply without reasonable excuse with any requirement of a special citation or injunction issued, or a restoration order made, under this section by any court shall be a contempt of the court.
