PART 3

ENFORCEMENT

Notice to OFT of intended prosecution

14.—(1) Where an enforcement authority is a local weights and measures authority in England and Wales it may bring proceedings for an offence under regulation 6 only if—

- (a) it has notified the OFT of its intention to bring proceedings at least fourteen days before the date on which proceedings are brought; or
 - (b) the OFT consents to proceedings being brought in a shorter period.
- (2) The enforcement authority must also notify the OFT of the outcome of the proceedings after they are finally determined.
- (3) Such proceedings are not invalid by reason only of the failure to comply with this regulation.
