PART 3

Exemptions

Group CCA exemptions

34.—(1) Paragraph (3) applies where—

- (a) an applicant consists of a group; and
- (b) X minus Y is less than 1000 MWh.

(2) In paragraph (1)—

“X” means the amount of qualifying electricity supplied to the applicant;

“Y” means—

- (a) where a member of the group satisfies article 32(1)(b), the amount of X which is supplied to each member of the group which satisfies that article; or
- (b) where no member of the group satisfies article 32(1)(b), zero.

(3) Where this paragraph applies and where the applicant complies with article 35 or 36, as a participant it has a group CCA exemption.
