PART 5

Annual reports

Provision of annual reports

47.—(1) Subject to articles 37 and 48, a participant must provide to the administrator a report which complies with article 49 on its CRC supplies during an annual reporting year (“an annual report”).

(2) A participant must provide the annual report—

(a) unless otherwise agreed by the administrator, using the Registry; and

(b) by no later than the last working day of July after the end of the annual reporting year.

(3) Where by 40 days after the due date a participant has failed to provide the annual report, the administrator may determine⁽¹⁾ the report.

⁽¹⁾ Such a determination must be made in accordance with article 74(2).
