2010 No.

The CRC Energy Efficiency Scheme Order 2010

PART 10

Achievement and performance tables, publication and verification

Publication

78.—(1) The administrator must publish the matters set out in paragraph (3) for each annual reporting year to the extent that it holds information on those matters.

(2) Publication must be made as soon as possible after the last working day of July subsequent to the end of the annual reporting year.

(3) The matters referred to in paragraph (1) are—

- (a) the performance table;
- (b) in respect of each participant—
 - (i) its name or its trading or other name by which it is commonly known;
 - (ii) its CRC emissions and CRC emissions per unit of turnover;
 - (iii) absolute change;
 - (iv) relative change;
 - (v) if applicable, early action;
- (c) where a participant is a group of undertakings, the significant group undertakings (if any) which are members of that participant;
- (d) where a significant group undertaking is a participant separate from the group in which it would otherwise be a participant, that fact;
- (e) the achievement tables;
- (f) where applicable, that a participant has informed the administrator that—
 - (i) it discloses publicly each year—
 - (aa) its emissions reduction targets; and
 - (bb) its performance against them;
 - (ii) a person with management control has responsibility in respect of those matters; or
 - (iii) it operates an employee engagement programme to reduce its emissions.

(4) The administrator may publish—

- (a) the information provided in the annual report;
- (b) tables concerning the performance of participants in the scheme, other than the achievement and performance tables.

(5) Where a participant is required to provide for the same year—

- (a) an annual report in respect of the last year of one phase (“the first report”); and

(b) the second year of the subsequent phase,
the administrator must publish the matters in paragraph (3) using the information in the first report
only, so far as those matters are included in that report.
