

## SCHEDULE 3

### Public bodies

#### SECTION 3

##### *Public bodies: government and local authority decisions*

#### **Government decisions: supplies and departments**

- 15.**—(1) A government decision under paragraph 14(2)(b) must state—
- (a) which supplies of electricity, gas or fuel are supplied to which part of the department for the phase;
  - (b) where a public body is a member of a group with the department, with which part of the department it is a group member.
- (2) A government decision under paragraph 14(2)(c) must only be made in respect of a department which, had it been subject to article 17 on qualification for the phase, would not have been required to register as a participant.
