

This draft Statutory Instrument supersedes the draft of the same title which was laid before Parliament on 12 October 2010 and published on 19 October 2010. It is being issued free of charge to all known recipients of that draft Statutory Instrument.

Draft Regulations laid before Parliament under section 2(8) and (9)(d) of the Pollution Prevention and Control Act 1999, for approval by resolution of each House of Parliament.

DRAFT STATUTORY INSTRUMENTS

2010 No. 0000

ENVIRONMENTAL PROTECTION

The Offshore Petroleum Activities (Oil Pollution Prevention and Control) (Amendment) Regulations 2010

Made - - - - 2010

Coming into force in accordance with regulation 1

The Secretary of State makes these Regulations in exercise of the powers conferred by sections 2(1) to (3) and 7(9) of, and Schedule 1 to, the Pollution Prevention and Control Act 1999⁽¹⁾.

The Secretary of State has consulted the persons required to be consulted by section 2(4) of that Act.

A draft of these Regulations has been laid before, and approved by a resolution of, each House of Parliament in accordance with section 2(8) and (9)(d) of that Act.

(1) 1999 c.24. Paragraph 25 of Schedule 1 was amended in relation to England and Wales by section 105(1)(a) and (b) of the Clean Neighbourhoods and Environment Act 2005 (c.16), and in relation to Scotland by section 66 of, and paragraph 5 of Schedule 2 to, the Antisocial Behaviour etc (Scotland) Act 2004 (asp 8). There are other amendments to that Schedule which are not relevant. Most functions of the Secretary of State under section 2 so far as exercisable in relation to Wales were transferred to the National Assembly for Wales by article 3 of S.I. 2005/1958, and from the National Assembly to the Welsh Ministers by section 162 of, and paragraph 30 of Schedule 11 to, the Government of Wales Act 2006 (c.32). However, responsibility for pollution from oil and gas exploration and exploitation in the territorial sea was excluded from the transfer and is therefore reserved, except in 'relevant territorial waters' within the meaning of section 104(1)(a) of the Water Resources Act 1991 (see the definition of 'offshore' in article 1 of S.I. 2005/1958). Similarly, by virtue of article 2 of S.I. 2008/1776 and Section D5 of Part II of Schedule 5 to the Scotland Act 1998, responsibility for pollution relating to oil and gas exploration in Scotland is reserved (although only outside Scottish controlled waters as defined by section 30A(1) of the Control of Pollution Act 1974 (c.40)).
