In accordance with section 235(6) and (7)(h) of the Localism Act 2011(a), a draft of this instrument was laid before Parliament and approved by a resolution of each House of Parliament.

The Secretary of State, in exercise of the powers conferred by sections 87(5), 88(3), 89(4), 89(5), 91(2)(d), 92(5), 95(5)(e) and (j), 95(6), 99(1) and 101(1) of the Localism Act 2011, makes the following Regulations:

**Citation, commencement, application and interpretation**

1.—(1) These Regulations may be cited as the Assets of Community Value (England) Regulations 2012 and shall come into force on the day after they are made.

(2) These Regulations apply in relation to England only.

“compensation review” means a review requested in accordance with regulation 16;

“registrar”, “register” (other than in regulation 4(3)) and “registered estate” have the meaning given in section 132(1) of the Land Registration Act 2002(b);

---

(a) 2011 c.20. The power to make regulations under these provisions in relation to Wales is conferred on the Welsh Ministers, see the definition of “appropriate authority” in section 108(1) of the Localism Act 2011.

(b) 2002 c.9. There have been amendments to section 132 which are not relevant to these Regulations.

- (4) For the purposes of these Regulations, land is owned by a single owner if—
- (a) the land is owned by the same person; or
  - (b) in a case not within sub-paragraph (a), the land is held on trusts and was settled on those trusts by the same settlor.

### **List of assets of community value**

2. A local authority must as soon as practicable after receiving information that enables it to do so make the following amendments to an entry on the list—

- (a) add to the entry—
  - (i) the information that, during the six weeks beginning with the date of receipt of a notice under section 95(2) of the Act in respect of any of the land to which the entry applies, it has received a request from a community interest group with a local connection to be treated as a potential bidder in relation to land to which the notice relates;
  - (ii) the name of that community interest group; and
  - (iii) that restrictions on entering into a relevant disposal of the land to which the notice relates continue to apply during the six months beginning with the date the notice was received, but at the end of that six months will then not apply for a further twelve months;
- (b) amend or, as the case may be, remove the entry so as to exclude any of the land that has since it was included in the list been the subject of a relevant disposal other than one referred to in section 95(5) of the Act; and
- (c) remove the entry if—
  - (i) an appeal against listing is successful, or
  - (ii) the authority for any reason no longer considers the land to be land of community value.

### **Land which may not be listed**

### **Definition of local connection**

4.—(1) For the purposes of these regulations and section 89(2)(b)(iii) of the Act, a body other than a parish council has a local connection with land in a local authority’s area if—

    - (ii) for the benefit of a neighbouring authority’s area; and
  - (c) in the case of a body within regulation 5(1)(c) it has at least 21 local members.
- (2) For the purposes of these regulations and section 89(2)(b)(iii) of the Act—

## **Compensation**

**14.**—(1) An owner or former owner of listed land or of previously listed land, other than an owner or former owner specified in regulation 15, is entitled to compensation from the responsible authority of such amount as the authority may determine where the circumstances in paragraph (2) apply.

(2) The circumstances mentioned in paragraph (1) are that the person making the claim has, at a time when the person was the owner of the land and the land was listed, incurred loss or expense in relation to the land which would be likely not to have been incurred if the land had not been listed.

(3) For the avoidance of doubt, and without prejudice to other types of claim which may be made, the following types of claim may be made—

**15.** The following are not entitled to compensation under regulation 14—

**Duty of local authority regarding restriction entered in the register in respect of listed land**

18. Where a local authority which has caused a restriction in Form QQ(c) to be entered in respect of a registered estate subsequently removes the land to which the registered estate relates from the list, the authority must as soon after doing so as is practicable apply to the registrar for cancellation of the restriction.

**Duties of owners and mortgagees in respect of listed land**

19.—(1) Where listed land is entered in the register on an application for first registration of the land made to the registrar—

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

Chapter 3 of Part 5 of the Localism Act 2011 (“the Act”) makes provision for England and Wales in relation to assets of community value, and includes powers for the Secretary of State to make further detailed provision in relation to England. These Regulations, which apply to England only, contain those details and come into force at the same time as commencement of Chapter 3, Part 5 of the Act, to give effect to the assets of community value scheme.

Regulation 1 defines terms used in the Regulations.

Regulation 2 specifies ways in which a local authority must modify an entry on its list of assets of community value.

Regulation 3 introduces Schedule 1, which specifies types of land which may not be listed as an asset of community value.

Regulation 4 defines “local connection” in relation to land, which is a requirement for voluntary or community bodies which wish to nominate land for listing, and for community interest groups in relation to the moratorium rules applying to listed land contained in section 95 of the Act.

Regulation 5 sets out the requirements for a group to qualify as a voluntary or community body, which under section 89(2)(b)(iii) of the Act is eligible to nominate land for listing.

Regulation 6 specifies information which must be included in a community nomination of land to be listed.

---

(a) Rule 94 was amended by S.I. 2008/1919.

(b) Rule 217(3) was amended by S.I. 2008/1919.

(c) New text of Schedule 4 was substituted by S.I. 2008/1919, and has subsequently been amended by S.I. 2010/671.

Regulation 7 requires a local authority to decide within 8 weeks whether nominated land should be listed.

Regulation 8 specifies people whom a local authority must inform when it is considering whether to list land, and regulation 9 specifies people to whom notice must be given when land is added to or removed from the list (in addition to those specified in section 91 of the Act).

Regulation 10 introduces Schedule 2, which contains the procedure to be followed by a local authority when it carries out a review of its decision to list land.

Regulation 11 gives an owner of land, including both the owner who requested the review and a subsequent owner of the land, the right to appeal to the First-Tier Tribunal against the local authority's decision on its review of its decision to list the land.

Regulation 12 sets out the requirements for a group to qualify as a community interest group, which under section 95(3)(a) of the Act may make a written request to be treated as a potential bidder in relation to the land.

Regulation 13 specifies that a community interest group may enter into a contract to buy listed land during a moratorium period, and introduces Schedule 3 which sets out types of disposal to which the moratorium requirements in section 95(1) of the Act will not apply at all (in addition to those set out in section 95(5) of the Act).

Regulation 14 gives an owner of listed or formerly listed land the right to claim compensation for loss or expense, incurred while the owner of the land, which would be likely not to have been incurred if the land had not been listed. It also sets out procedural requirements for making a compensation claim, and requires local authorities to give owners written reasons for decisions with regard to compensation.

The right to claim compensation does not apply to public and publicly funded owners of land specified in regulation 15.

Regulation 16 gives a person who has claimed compensation the right to require the local authority to review its decision with regard to that claim, and to give reasons for the review decision, and applies the procedural rules in Schedule 2 to compensation reviews.

Regulation 17 gives a person who has requested a compensation review the right to appeal to the First-Tier Tribunal against the local authority's review decision.

Regulations 18 to 20 contain provisions to safeguard against non-compliance by owners of listed land with the statutory requirements. Requirements regarding application for a restriction on the land register in respect of listed land, and for provision of an independent certificate of compliance to the Land Registrar in certain circumstances, are created by amendment to the Land Registration Rules 2003 ("the 2003 Rules").

With regard to entry on the land register of a restriction in respect of listed land, regulation 18 requires a local authority to apply in certain circumstances to cancel the restriction.

Regulation 19 creates two duties applying to owners of listed land; firstly that an owner applying for first registration of the land (or a mortgagee applying for first registration on behalf of the owner) must at the same time apply for entry of a restriction on the land register; and secondly that a person who has become an owner of the land following a disposal must inform the local authority of the disposal and provide ownership details.

Regulation 20 introduces Schedule 4, which makes amendments to rules 27, 93, 94, and 217 of, and Schedule 4 to, the 2003 Rules.

Paragraph 2 of Schedule 4 to these Regulations adds a new rule 27A to the 2003 Rules. This requires an owner of listed land applying for first registration of the land in the land register to apply at the same time for a restriction in Form QQ to be entered in the register. The same duty applies to a mortgagee applying for first registration in the owner's name. At the same time the

applicant for first registration must provide with the application a certificate by a conveyancer that any conveyance of lease of the land while it was listed did not contravene section 95(1) of the Act.

Paragraph 3 of Schedule 4 amends rule 93 of the 2003 Rules (which specifies persons who have a sufficient interest to apply for a restriction) by adding a local authority which has listed land and is applying for a restriction to be entered in the register, and a mortgagee who has applied for first registration and for a restriction to be entered with respect to the charged land.

Paragraph 4 of Schedule 4 amends rule 94 of the 2003 Rules (which specifies when an application for a restriction must be made) by adding that where a local authority has listed land, an application for a restriction in Form QQ must be made either by the local authority (unless such a restriction already exists) or in accordance with new rule 27A (by the owner or mortgagee).

Paragraph 6 of Schedule 4 adds the wording for new Form QQ to Schedule 4 of the 2003 Rules (standard forms of restriction) , and paragraph 5 makes a consequential amendment to rule 217.

Regulation 21 provides that a non-compliant disposal will be ineffective, except where the owner making the disposal, having made all reasonable efforts to find out if the land was listed, was unaware that this was the case at the time of the disposal.
