ARTICLE 6

Liability of the carrier

- 1 For the loss suffered as a result of the death of or personal injury to a passenger caused by a shipping incident, the carrier shall be liable to the extent that such loss in respect of that passenger on each distinct occasion does not exceed 250,000 units of account, unless the carrier proves that the incident:
- (a) resulted from an act of war, hostilities, civil war, insurrection or a natural phenomenon of an exceptional, inevitable and irresistible character; or
 - (b) was wholly caused by an act or omission done with the intent to cause the incident by a third party.
- If and to the extent that the loss exceeds the above limit, the carrier shall be further liable unless the carrier proves that the incident which caused the loss occurred without the fault or neglect of the carrier.
- 2 For the loss suffered as a result of the death of or personal injury to a passenger not caused by a shipping incident, the carrier shall be liable if the incident which caused the loss was due to the fault or neglect of the carrier. The burden of proving fault or neglect shall lie with the claimant.
- 3 For the loss suffered as a result of the loss of or damage to cabin luggage, the carrier shall be liable if the incident which caused the loss was due to the fault or neglect of the carrier. The fault or neglect of the carrier shall be presumed for loss caused by a shipping incident.
- 4 For the loss suffered as a result of the loss of or damage to luggage other than cabin luggage, the carrier shall be liable unless the carrier proves that the incident which caused the loss occurred without the fault or neglect of the carrier.
- 5 For the purposes of this article:
- (a) "shipping incident" means shipwreck, capsizing, collision or stranding of the ship, explosion or fire in the ship, or defect in the ship;
 - (b) "fault or neglect of the carrier" includes the fault or neglect of the servants of the carrier, acting within the scope of their employment;
 - (c) "defect in the ship" means any malfunction, failure or non-compliance with applicable safety regulations in respect of any part of the ship or its equipment when used for the escape, evacuation, embarkation and disembarkation of passengers, or when used for the propulsion, steering, safe navigation, mooring, anchoring, arriving at or leaving berth or anchorage, or damage control after flooding; or when used for the launching of life-saving appliances; and

Draft Legislation: This is a draft item of legislation. This draft has since been made as a UK Statutory Instrument: *The Merchant Shipping (Convention Relating to the Carriage of Passengers and their Luggage by Sea) Order 2014 No. 1361*

- (d) "Loss" shall not include punitive or exemplary damages.
- 6 The liability of the carrier under this Article only relates to loss arising from incidents that occurred in the course of the carriage. The burden of proving that the incident which caused the loss occurred in the course of the carriage, and the extent of the loss, shall lie with the claimant.
- 7 Nothing in this Convention shall prejudice any right of recourse of the carrier against any third party, or the defence of contributory negligence under Article 5 of this Convention. Nothing in this Article shall prejudice any right of limitation under Articles 7 or 8 of this Convention.
- 8 Presumptions of fault or neglect of a party or the allocation of the burden of proof to a party shall not prevent evidence in favour of that party from being considered.

ARTICLE 4

Performing carrier

- 1 If the performance of the carriage or part thereof has been entrusted to a performing carrier, the carrier shall nevertheless remain liable for the entire carriage according to the provisions of this Convention. In addition, the performing carrier shall be subject and entitled to the provisions of this Convention for the part of the carriage performed by him.
- 2 The carrier shall, in relation to the carriage performed by the performing carrier, be liable for the acts and omissions of the performing carrier and of his servants and agents acting within the scope of their employment.
- 3 Any special agreement under which the carrier assumes obligations not imposed by this Convention or any waiver of rights conferred by this Convention shall affect the performing carrier only if agreed by him expressly and in writing.
- 4 Where and to the extent that both the carrier and the performing carrier are liable, their liability shall be joint and several.
- 5 Nothing in this Article shall prejudice any right of recourse as between the carrier and the performing carrier.

ARTICLE 4bis

Compulsory insurance

- 1 When passengers are carried on board a ship registered in a State Party that is licensed to carry more than twelve passengers, and this Convention applies, any carrier who actually performs the whole or a part of the carriage shall maintain insurance or other financial security, such as the guarantee of a bank or similar financial institution, to cover liability under this Convention in respect of the death of and personal injury to passengers. The limit of the compulsory insurance or other financial security shall not be less than 250,000 units of account per passenger on each distinct occasion.

2. A certificate attesting that insurance or other financial security is in force in accordance with the provisions of this Convention shall be issued to each ship after the appropriate authority of a State Party has determined that the requirements of paragraph 1 have been complied with. With respect to a ship registered in a State Party, such certificate shall be issued or certified by the appropriate authority of the State of the ship's registry; with respect to a ship not registered in a State Party it may be issued or certified by the appropriate authority of any State Party. This certificate shall be in the form of the model set out in the annex to this Convention and shall contain the following particulars:
 - (a) name of ship, distinctive number or letters and port of registry;
 - (b) name and principal place of business of the carrier who actually performs the whole or a part of the carriage;
 - (c) IMO ship identification number;
 - (d) type and duration of security;
 - (e) name and principal place of business of insurer or other person providing financial security and, where appropriate, place of business where the insurance or other financial security is established; and
 - (f) period of validity of the certificate, which shall not be longer than the period of validity of the insurance or other financial security.
3. (a) A State Party may authorize an institution or an organization recognised by it to issue the certificate. Such institution or organization shall inform that State of the issue of each certificate. In all cases, the State Party shall fully guarantee the completeness and accuracy of the certificate so issued, and shall undertake to ensure the necessary arrangements to satisfy this obligation.
 - (b) A State Party shall notify the Secretary-General of:
 - (i) the specific responsibilities and conditions of the authority delegated to an institution or organization recognised by it;
 - (ii) the withdrawal of such authority; and
 - (iii) the date from which such authority or withdrawal of such authority takes effect.An authority delegated shall not take effect prior to three months from the date from which notification to that effect was given to the Secretary-General.
 - (c) The institution or organization authorized to issue certificates in accordance with this paragraph shall, as a minimum, be authorized to withdraw these certificates if the conditions under which they have been issued are not complied with. In all cases the institution or organization shall report such withdrawal to the State on whose behalf the certificate was issued.
4. The certificate shall be in the official language or languages of the issuing State. If the language used is not English, French or Spanish, the text shall include a translation into

one of these languages, and, where the State so decides, the official language of the State may be omitted.

- 5 The certificate shall be carried on board the ship, and a copy shall be deposited with the authorities who keep the record of the ship's registry or, if the ship is not registered in a State Party, with the authority of the State issuing or certifying the certificate.
- 6 An insurance or other financial security shall not satisfy the requirements of this Article if it can cease, for reasons other than the expiry of the period of validity of the insurance or security specified in the certificate, before three months have elapsed from the date on which notice of its termination is given to the authorities referred to in paragraph 5, unless the certificate has been surrendered to these authorities or a new certificate has been issued within the said period. The foregoing provisions shall similarly apply to any modification which results in the insurance or other financial security no longer satisfying the requirements of this Article.
- 7 The State of the ship's registry shall, subject to the provisions of this Article, determine the conditions of issue and validity of the certificate.
- 8 Nothing in this Convention shall be construed as preventing a State Party from relying on information obtained from other States or the Organization or other international organizations relating to the financial standing of providers of insurance or other financial security for the purposes of this Convention. In such cases, the State Party relying on such information is not relieved of its responsibility as a State issuing the certificate.
- 9 Certificates issued or certified under the authority of a State Party shall be accepted by other States Parties for the purposes of this Convention and shall be regarded by other States Parties as having the same force as certificates issued or certified by them, even if issued or certified in respect of a ship not registered in a State Party. A State Party may at any time request consultation with the issuing or certifying State should it believe that the insurer or guarantor named in the insurance certificate is not financially capable of meeting the obligations imposed by this Convention.
- 10 Any claim for compensation covered by insurance or other financial security pursuant to this Article may be brought directly against the insurer or other person providing financial security. In such case, the amount set out in paragraph 1 applies as the limit of liability of the insurer or other person providing financial security, even if the carrier or the performing carrier is not entitled to limitation of liability. The defendant may further invoke the defences (other than the bankruptcy or winding up) which the carrier referred to in paragraph 1 would have been entitled to invoke in accordance with this Convention. Furthermore, the defendant may invoke the defence that the damage resulted from the willful misconduct of the assured, but the defendant shall not invoke any other defence which the defendant might have been entitled to invoke in proceedings brought by the assured against the defendant. The defendant shall in any event have the right to require the carrier and the performing carrier to be joined in the proceedings.
- 11 Any sums provided by insurance or by other financial security maintained in accordance with paragraph 1 shall be available exclusively for the satisfaction of claims under this Convention, and any payments made of such sums shall discharge any liability arising under this Convention to the extent of the amounts paid.
- 12 A State Party shall not permit a ship under its flag to which this Article applies to operate at any time unless a certificate has been issued under paragraphs 2 or 15.

- 13 Subject to the provisions of this Article, each State Party shall ensure, under its national law, that insurance or other financial security, to the extent specified in paragraph 1, is in force in respect of any ship that is licensed to carry more than twelve passengers, wherever registered, entering or leaving a port in its territory in so far as this Convention applies.
- 14 Notwithstanding the provisions of paragraph 5, a State Party may notify the Secretary-General that, for the purposes of paragraph 13, ships are not required to carry on board or to produce the certificate required by paragraph 2 when entering or leaving ports in its territory, provided that the State Party which issues the certificate has notified the Secretary-General that it maintains records in an electronic format, accessible to all States Parties, attesting the existence of the certificate and enabling States Parties to discharge their obligations under paragraph 13.
- 15 If insurance or other financial security is not maintained in respect of a ship owned by a State Party, the provisions of this Article relating thereto shall not be applicable to such ship, but the ship shall carry a certificate issued by the appropriate authorities of the State of the ship's registry, stating that the ship is owned by that State and that the liability is covered within the amount prescribed in accordance with paragraph 1. Such a certificate shall follow as closely as possible the model prescribed by paragraph 2.

ARTICLE 5

Valuables

The carrier shall not be liable for the loss of or damage to monies, negotiable securities, gold, silverware, jewellery, ornaments, works of art, or other valuables, except where such valuables have been deposited with the carrier for the agreed purpose of safe-keeping in which case the carrier shall be liable up to the limit provided for in paragraph 3 of Article 8 unless a higher limit is agreed upon in accordance with paragraph 1 of Article 10.

ARTICLE 6

Contributory fault

If the carrier proves that the death of or personal injury to a passenger or the loss of or damage to his luggage was caused or contributed to by the fault or neglect of the passenger, the Court seized of the case may exonerate the carrier wholly or partly from his liability in accordance with the provisions of the law of that court.

ARTICLE 7

Limit of liability for death and personal injury

- 1 The liability of the carrier for the death of or personal injury to a passenger under Article 3 shall in no case exceed 400,000 units of account per passenger on each distinct occasion. Where, in accordance with the law of the court seized of the case, damages are awarded in the form of periodical income payments, the equivalent capital value of those payments shall not exceed the said limit.
- 2 A State Party may regulate by specific provisions of national law the limit of liability prescribed in paragraph 1, provided that the national limit of liability, if any, is not lower

Draft Legislation: This is a draft item of legislation. This draft has since been made as a UK Statutory Instrument: *The Merchant Shipping (Convention Relating to the Carriage of Passengers and their Luggage by Sea) Order 2014 No. 1361*

than that prescribed in paragraph 1. A State Party, which makes use of the option provided for in this paragraph, shall inform the Secretary-General of the limit of liability adopted or of the fact that there is none.

ARTICLE 8

Limit of liability for loss of or damage to luggage and vehicles

- 1 The liability of the carrier for the loss of or damage to cabin luggage shall in no case exceed 2,270 units of account per passenger, per carriage.
- 2 The liability of the carrier for the loss of or damage to vehicles including all luggage carried in or on the vehicle shall in no case exceed 12,700 units of account per vehicle, per carriage.
- 3 The liability of the carrier for the loss of or damage to luggage other than that mentioned in paragraphs 1 and 2 shall in no case exceed 3,375 units of account per passenger, per carriage.
- 4 The carrier and the passenger may agree that the liability of the carrier shall be subject to a deductible not exceeding 330 units of account in the case of damage to a vehicle and not exceeding 49 units of account per passenger in the case of loss of or damage to other luggage, such sum to be deducted from the loss or damage.

ARTICLE 9

Unit of Account and conversion

- 1 The Unit of Account mentioned in this Convention is the Special Drawing Right as defined by the International Monetary Fund. The amounts mentioned in Article 3, paragraph 1, Article 4bis, paragraph 1, Article 7, paragraph 1, and Article 8 shall be converted into the national currency of the State of the court seized of the case on the basis of the value of that currency by reference to the Special Drawing Right, on the date of the judgment, or the date agreed upon by the parties. The value of the national currency, in terms of the Special Drawing Right, of a State Party which is a member of the International Monetary Fund, shall be calculated in accordance with the method of valuation applied by the International Monetary Fund in effect on the date in question for its operations and transactions. The value of the national currency, in terms of the Special Drawing Right, of a State Party which is not a member of the International Monetary Fund, shall be calculated in a manner determined by that State Party.
- 2 Nevertheless, a State which is not a member of the International Monetary Fund and whose law does not permit the application of the provisions of paragraph 1 may, at the time of ratification, acceptance, approval of or accession to this Convention or at any time thereafter, declare that the Unit of Account referred to in paragraph 1 shall be equal to 15 gold francs. The gold franc referred to in this paragraph corresponds to sixty-five and a half milligrams of gold of millesimal fineness nine hundred. The conversion of the gold franc into the national currency shall be made according to the law of the State concerned.

- 3 The calculation mentioned in the last sentence of paragraph 1, and the conversion mentioned in paragraph 2 shall be made in such a manner as to express in the national currency of the States Parties, as far as possible, the same real value for the amounts in Article 5, paragraph 1, Article 4bis, paragraph 1, Article 7, paragraph 1, and Article 8 as would result from the application of the first three sentences of paragraph 1. States shall communicate to the Secretary-General, the manner of calculation pursuant to paragraph 1, or the result of the conversion in paragraph 2, as the case may be, when depositing an instrument of ratification, acceptance, approval of or accession to this Convention and whenever there is a change in either.

ARTICLE 10

Supplementary provisions on limits of liability

- 1 The carrier and the passenger may agree, expressly and in writing, to higher limits of liability than those prescribed in Articles 7 and 8.
- 2 Interest on damages and legal costs shall not be included in the limits of liability prescribed in Articles 7 and 8.

ARTICLE 11

Defences and limits for carriers' servants

If an action is brought against a servant or agent of the carrier or of the performing carrier arising out of damage covered by this Convention, such servant or agent, if he proves that he acted within the scope of his employment, shall be entitled to avail himself of the defences and limits of liability which the carrier or the performing carrier is entitled to invoke under this Convention.

ARTICLE 12

Aggregation of claims

- 1 Where the limits of liability prescribed in Articles 7 and 8 take effect, they shall apply to the aggregate of the amounts recoverable in all claims arising out of the death of or personal injury to any one passenger or the loss of or damage to his luggage.
- 2 In relation to the carriage performed by a performing carrier, the aggregate of the amounts recoverable from the carrier and the performing carrier and from their servants and agents acting within the scope of their employment shall not exceed the highest amount which could be awarded against either the carrier or the performing carrier under this Convention, but none of the persons mentioned shall be liable for a sum in excess of the limit applicable to him.
- 3 In any case where a servant or agent of the carrier or of the performing carrier is entitled under Article 11 of this Convention to avail himself of the limits of liability prescribed in Articles 7 and 8, the aggregate of the amounts recoverable from the carrier, or the performing carrier as the case may be, and from that servant or agent, shall not exceed those limits.

Draft Legislation: This is a draft item of legislation. This draft has since been made as a UK Statutory Instrument: *The Merchant Shipping (Convention Relating to the Carriage of Passengers and their Luggage by Sea) Order 2014 No. 1361*

ARTICLE 13

Loss of right to limit liability

- 1 The carrier shall not be entitled to the benefit of the limits of liability prescribed in Articles 7 and 8 and paragraph 1 of Article 10, if it is proved that the damage resulted from an act or omission of the carrier done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.
- 2 The servant or agent of the carrier or of the performing carrier shall not be entitled to the benefit of those limits if it is proved that the damage resulted from an act or omission of that servant or agent done with the intent to cause such damage, or recklessly and with knowledge that such damage would probably result.

ARTICLE 14

Basis for claims

No action for damages for the death of or personal injury to a passenger, or for the loss of or damage to luggage, shall be brought against a carrier or performing carrier otherwise than in accordance with this Convention.

ARTICLE 15

Notice of loss or damage to luggage

- 1 The passenger shall give written notice to the carrier or his agent:
 - (a) in the case of apparent damage to luggage:
 - (i) for cabin luggage, before or at the time of disembarkation of the passenger;
 - (ii) for all other luggage, before or at the time of its re-delivery;
 - (b) in the case of damage to luggage which is not apparent, or loss of luggage, within fifteen days from the date of disembarkation or re-delivery or from the time when such re-delivery should have taken place.
- 2 If the passenger fails to comply with this Article, he shall be presumed, unless the contrary is proved, to have received the luggage undamaged.
- 3 The notice in writing need not be given if the condition of the luggage has at the time of its receipt been the subject of joint survey or inspection.

ARTICLE 16

Time bar for actions

- 1 Any action for damages arising out of the death of or personal injury to a passenger or for the loss of or damage to luggage shall be time-barred after a period of two years.

- 2 The limitation period shall be calculated as follows:
 - (a) in the case of personal injury, from the date of disembarkation of the passenger;
 - (b) in the case of death occurring during carriage, from the date when the passenger should have disembarked, and in the case of personal injury occurring during carriage and resulting in the death of the passenger after disembarkation, from the date of death, provided that this period shall not exceed three years from the date of disembarkation;
 - (c) in the case of loss of or damage to luggage, from the date of disembarkation or from the date when disembarkation should have taken place, whichever is later.
- 3 The law of the Court seized of the case shall govern the grounds for suspension and interruption of limitation periods, but in no case shall an action under this Convention be brought after the expiration of any one of the following periods of time:
 - (a) A period of five years beginning with the date of disembarkation of the passenger or from the date when disembarkation should have taken place, whichever is later; or, if earlier
 - (b) a period of three years beginning with the date when the claimant knew or ought reasonably to have known of the injury, loss or damage caused by the incident.
- 4 Notwithstanding paragraphs 1, 2 and 3 of this Article, the period of limitation may be extended by a declaration of the carrier or by agreement of the parties after the cause of action has arisen. The declaration or agreement shall be in writing.

ARTICLE 17

Competent jurisdiction

- 1 An action arising under Articles 8 and 11 of this Convention shall, at the option of the claimant, be brought before one of the courts listed below, provided that the court is located in a State Party to this Convention, and subject to the domestic law of each State Party governing proper venue within those States with multiple possible forums:
 - (a) the Court of the State of permanent residence or principal place of business of the defendant, or
 - (b) the Court of the State of departure or that of the destination according to the contract of carriage, or
 - (c) the Court of the State of the domicile or permanent residence of the claimant, if the defendant has a place of business and is subject to jurisdiction in that State, or
 - (d) the Court of the State where the contract of carriage was made, if the defendant has a place of business and is subject to jurisdiction in that State.
- 2 Actions under article 4bis of this Convention shall, at the option of the claimant, be brought before one of the courts where action could be brought against the carrier or performing carrier according to paragraph 1.

Draft Legislation: This is a draft item of legislation. This draft has since been made as a UK Statutory Instrument: *The Merchant Shipping (Convention Relating to the Carriage of Passengers and their Luggage by Sea) Order 2014 No. 1361*

- 3 After the occurrence of the incident which has caused the damage, the parties may agree that the claim for damages shall be submitted to any jurisdiction or to arbitration.

ARTICLE 17bis

Recognition and enforcement

- 1 Any judgment given by a court with jurisdiction in accordance with Article 17 which is enforceable in the State of origin where it is no longer subject to ordinary forms of review, shall be recognised in any State Party, except
 - (a) where the judgment was obtained by fraud; or
 - (b) where the defendant was not given reasonable notice and a fair opportunity to present his or her case.
- 2 A judgment recognised under paragraph 1 shall be enforceable in each State Party as soon as the formalities required in that State have been complied with. The formalities shall not permit the merits of the case to be re-opened.
- 3 A State Party to this Protocol may apply other rules for the recognition and enforcement of judgments, provided that their effect is to ensure that judgments are recognised and enforced at least to the same extent as under paragraphs 1 and 2.

ARTICLE 18

Invalidity of contractual provisions

Any contractual provision concluded before the occurrence of the incident which has caused the death of or personal injury to a passenger or the loss of or damage to the passenger's luggage, purporting to relieve any person liable under this Convention of liability towards the passenger or to prescribe a lower limit of liability than that fixed in this Convention except as provided in Article 3, paragraph 4, and any such provision purporting to shift the burden of proof which rests on the carrier or performing carrier, or having the effect of restricting the options specified in Article 17, paragraphs 1 or 2, shall be null and void, but the nullity of that provision shall not render void the contract of carriage which shall remain subject to the provisions of this Convention.

ARTICLE 19

Other conventions on limitation of liability

This Convention shall not modify the rights or duties of the carrier, the performing carrier, and their servants or agents provided for in international conventions relating to the limitation of liability of owners of seagoing ships.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Merchant Shipping Act 1995 (c.21) in consequence of the ratification by the United Kingdom of the Protocol of 2002 to the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea, 1974 (“the Protocol”) which comes into force on 23rd April 2014.

The Protocol amends the Convention. It raises the limit of carrier liability for claims for death or personal injury to 400,000 units of account per passenger and introduces a requirement for the carrier to have insurance of not less than 250,000 units of account per passenger.

The principal provisions of the Convention as amended by the Protocol are part of the law of the United Kingdom by virtue of Regulation (EC) No. 392/2009 of the European Parliament and of the Council on the liability of carriers of passengers by sea in the event of accidents (O.J. L131, 28.5.2009, p.24) which came into effect on 31st December 2012. Further provision was made through the Merchant Shipping (Carriage of Passengers by Sea) Regulations 2012 (S.I. 2012/3152).

Article 2 substitutes, for the text of the provisions of the Convention set out in Part I of Schedule 6 to the Act, the text of the provisions of the Convention as amended by the Protocol. The amendments to Part II of Schedule 6 takes account of the new higher limit of liability on claims for death or personal injury of 400,000 units of account in article 7 of the Convention and the fact that the ratification of the Convention by the United Kingdom is subject to a reservation with regard to war and terrorism risks .

Article 3 preserves the operation of the Carriage of Passengers and their Luggage by Sea (Domestic Carriage) Order 1987, which applies the Convention to carriage of passengers within the United Kingdom, the Channels Islands and the Isle of Man.

Article 4 revokes the Carriage of Passengers and their Luggage by Sea (Interim Provisions) Order 1980.

Article 5 provides that the Order will bind the Crown.

A full impact assessment of the effect this Order will have on the costs of business and the voluntary sector is available from the Department for Transport, Great Minster House, 33 Horseferry Road London SW1P 4DR and is published with the Explanatory Memorandum alongside this Order at <http://www.legislation.gov.uk>.
