2014 No.

The Electricity and Gas (Energy
Company Obligation) Order 2014

PART 5

Enforcement

Publication of energy savings achieved by suppliers and provision of information to the Secretary of State by suppliers

33.—(1) Once a year in 2016 and 2017 the Secretary of State must publish the energy savings achieved—

- (a) by each supplier by qualifying actions and surplus actions credited towards the supplier's obligations under this Order; and
 - (b) in total by qualifying actions and surplus actions credited towards suppliers' obligations under this Order.
- (2) The Secretary of State may require a supplier to provide, no more than once a year—
- (a) aggregated statistical information on its final customers (identifying significant changes to previously submitted information); and
 - (b) current information on final customers' consumption, including, where applicable, load profiles, customer segmentation and geographical location of customers.
- (3) In this article—
- (a) “energy savings” and “final customer” have the meaning given by article 2 of the Energy Efficiency Directive;
 - (b) “aggregated statistical information”, “customer segmentation” and “load profiles” have the same meaning as in the Energy Efficiency Directive;
 - (c) “the Energy Efficiency Directive” means Directive 2012/27/EU of the European Parliament and of the Council of 25th October 2012 on energy efficiency, amending Directives [2009/125/EC](#) and [2010/30/EU](#) and repealing Directives [2004/8/EC](#) and [2006/32/EC](#)(**1**).

(1) OJ No L 3015, 14.11.2012, p1; the Directive has been amended but the amendments are not relevant to these Regulations.
