1. The competent authority of the requested Party shall provide upon request information for the purposes referred to in Article 1. 3. If specifically requested by the competent authority of an applicant Party, the competent authority of the requested Party shall provide information under this Article, to the extent allowable under its domestic laws, in the form of depositions of witnesses and authenticated copies of original records.

All decisions with respect to the conduct of the tax examination shall be made by the requested Party.

Possibility of Declining a Request

1. The requested Party shall not be required to obtain or provide information that the applicant Party would not be able to obtain under its own laws for purposes of the administration or enforcement of its own tax laws.

4. This Agreement shall not impose on a requested Party the obligation to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process. Notwithstanding the foregoing, information of the type referred to in paragraph 4 of Article 5 shall not be treated as such a secret or trade process merely because it meets the criteria in that paragraph.
5. The requested Party may decline a request for information if the disclosure of the information would be contrary to public policy.
6. The requested Party may decline a request for information if the information is requested by the requesting Party to administer or enforce a provision of the tax law of the applicant Party, or any requirement connected therewith, which discriminates against a national of the requested Party as compared with a national of the applicant Party in the same circumstances.
7. A request for information shall not be refused on the ground that the tax claim giving rise to the request is disputed.

Article 8

Confidentiality

Any information received by a Contracting Party under this Agreement shall be treated as confidential and may be disclosed only to persons or authorities (including courts and

administrative bodies) in the jurisdiction of the Contracting Party concerned with the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by this Agreement or the oversight of the above. Such persons or authorities shall use such information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. The information may not be disclosed to any other person or entity or authority or any other jurisdiction without the express written consent of the competent authority of the requested Party.

Article 9

Costs

Incidence of costs incurred in providing assistance shall be agreed by the competent authorities of the Contracting Parties.

Article 10

Mutual Agreement Procedure

1. Where difficulties or doubts arise between the Contracting Parties regarding the implementation or interpretation of this Agreement, the competent authorities shall endeavour to resolve the matter by mutual agreement.
2. In addition to the agreements referred to in paragraph 1, the competent authorities of the Contracting Parties may mutually agree on the procedures to be used under Articles 5 and 6.
3. The competent authorities of the Contracting Parties may communicate with each other directly for purposes of reaching agreement under this Article.

Article 11

Entry into Force

1. Each of the Contracting Parties shall notify to the other through diplomatic channels the completion of the procedures required by its law for the bringing into force of this Agreement. This Agreement shall come into force on the date of the later of these notifications.
2. Upon entry into force, the provisions of this Agreement shall have effect:
 - a) with respect to criminal tax matters on that date; and
 - b) with respect to all other matters described in Article 1 on that date, but only in respect of taxable periods beginning on or after that date or, where there is no taxable period, for all charges to tax arising on or after that date.

Article 12

Termination

1. Either Contracting Party may terminate the Agreement by serving a notice of termination through diplomatic channels.

2. Such termination shall become effective on the first day of the month following the expiration of a period of six months after the date of receipt of notice of termination by the other Contracting Party.

3. If this Agreement is terminated the Contracting Parties shall remain bound by the provisions of Article 8 with respect to any information obtained under the Agreement.
