The Combined Authority Mayoral Elections Rules

PART 7

Disposal of documents

Orders for production of documents

63.—(1) An order—

- (a) for the inspection or production of any rejected ballot papers, including ballot papers rejected in part, in the custody of the relevant registration officer, or
- (b) for the opening of a sealed packet of the completed corresponding number lists or certificates as to employment on duty on the day of the poll or for the inspection of any counted ballot papers in his custody,

may be made by the County Court, if the court is satisfied by evidence on oath that the order is required for the purpose of instituting or maintaining a prosecution for an offence in relation to ballot papers, or for the purpose of an election petition.

(2) An order for the opening of a sealed packet of completed corresponding number lists or of certificates as to employment on duty on the day of the poll or for the inspection of any counted ballot papers in the custody of the relevant registration officer may be made by an election court.

(3) An order under this rule may be made subject to such conditions as to—

- (a) persons,
- (b) time,
- (c) place and mode of inspection,
- (d) production or opening,

as the court making the order may think expedient.

(4) In making and carrying into effect an order for the opening of a packet of completed corresponding number lists or of certificates as to employment on duty on the day of the poll or for the inspection of counted ballot papers, care must be taken that the way in which the vote of any particular elector has been given shall not be disclosed until it has been proved—

- (i) that the elector's vote was given, and
- (ii) that the vote has been declared by a competent court to be invalid.

(5) An appeal lies to the High Court from any order of the County Court under this rule.

(6) Any power given under this rule to the County Court may be exercised by any judge of the court otherwise than in open court.

(7) Where an order is made for the production by the relevant registration officer of any document in his possession relating to any specified election—

- (a) the production by the registration officer or agent of the document ordered in such manner as may be directed by that order shall be conclusive evidence that the document relates to the specified election, and
- (b) any endorsement on any packet of ballot papers so produced shall be prima facie evidence that the ballot papers are what they are stated to be by the endorsement.

(8) The production from proper custody of—

- (a) a ballot paper purporting to have been used at any election, and
- (b) a completed corresponding number list with a number marked in writing beside the number of the ballot paper,

shall be prima facie evidence that the elector whose vote was given by that ballot paper was the person whose entry in the register of electors or on a notice issued under section 13B(3B) or (3D) of the 1983 Act at the time of the election contained the same number as the number written as mentioned in sub-paragraph (b) of this paragraph.

(9) Save as provided by this rule, no person shall be allowed to inspect any rejected or counted ballot papers in the possession of the relevant registration officer or open any sealed packets of completed corresponding number lists or of certificates as to employment on duty on the day of the poll.
