

## SCHEDULE 2

### PART 2

#### MODIFICATION OF RULES APPLIED TO PROTECTED INTERNATIONAL REGISTRATIONS (UK) AND REQUESTS FOR INTERNATIONAL REGISTRATION (UK)

**19.** Rule 7 applies—

(a) with the substitution for paragraph (1) of—

“(1) Where a request was made for international registration (UK) of a design in respect of which protection has been applied for in a convention country, the applicant shall comply with the following provisions.”;

(b) with the substitution for paragraph (3) of—

“(3) At the request of the registrar the applicant must file at the Patent Office a copy of the representation of the design that was the subject of each convention application within such period as the registrar may specify in that request.”.
