## PART 2

### Exemption for certain types of goods vehicles

**26.** A vehicle having a maximum laden weight not exceeding 3.5 tonnes.

**27.** A goods vehicle used for the carriage of an abnormal indivisible load or other wide load, providing that vehicle complies with the requirements of the Road Vehicles (Authorisation of Special Types) (General) Order 2003(2).

**28.** A relief vehicle.

**29.** In this part—

“maximum laden weight” in relation to a vehicle (including a vehicle which is a trailer) means—

- (a) in the case of a vehicle as respects which a gross weight not to be exceeded in Great Britain is specified in construction and use requirements (as defined in section 41(7) of the Road Traffic Act 1988), the weight so specified;
- (b) in the case of a vehicle as respects which no such weight is so specified, the weight which the vehicle is designed or adapted not to exceed when in normal use and travelling on a road laden; and

“relief vehicle” means a vehicle used for transporting goods which is sent to replace a vehicle which has broken down, and continues the haul under the cover of a licence, permit or other document issued for the vehicle which has broken down.
