EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the powers conferred by section 8(1) of, and Schedule 7 to, the European Union (Withdrawal Act) 2018 (c. 16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under paragraphs (a) and (g) of section 8(2) of that Act) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations make amendments to legislation in the field of employment rights, removing (or amending) references that are no longer appropriate once the UK has exited the EU.

Part 1 makes relevant amendments. Firstly, to Article 37 of the Employment Relations (Northern Ireland) Order 1999 which currently provides a power to make regulations in certain circumstances where EU obligations relating to the treatment of employees on the transfer of all or part of an undertaking or business do not apply. The amendments do not change the scope of the power but ensure the wording used is appropriate once the UK has exited the EU. Secondly, Part 1 amends the Work and Families (Northern Ireland) Order 2006, removing powers to make regulations (relating to annual leave), which are no longer appropriate once the UK has exited the EU.

Part 2 provides for saving provisions.

A full impact assessment has not been produced for this instrument as no, or no significant impact on the private, voluntary or public sector is foreseen.
