- (2) If a person acquires control of a company, the other holders of securities must be protected.
- 2.**—(1) The holders of the securities of an offeree company must have sufficient time and information to enable them to reach a properly informed decision on the takeover bid.
- (2) Where it advises the holders of securities, the board of directors of the offeree company must give its views on the effects of implementation of the takeover bid on—
- (a) employment,
 - (b) conditions of employment, and
 - (c) the locations of the company’s places of business.
- 3.** The board of directors of an offeree company must act in the interests of the company as a whole and must not deny the holders of securities the opportunity to decide on the merits of the takeover bid.
- 4.** False markets must not be created in the securities of—
- (a) the offeree company,

(a) S.I. 2009/2436.

- (b) if the offeror is a company, that company, or

in such a way that the rise or fall of the prices of the securities becomes artificial and the normal functioning of the markets is distorted.

5. An offeror must announce a takeover bid only after—

- (a) ensuring that the offeror can fulfil in full any cash consideration, if such is offered, and
- (b) taking all reasonable measures to secure the implementation of any other type of consideration.

6. An offeree company must not be hindered in the conduct of its affairs for longer than is reasonable by a takeover bid for its securities.

PART 2

Other provision

Protection of minority shareholders, the mandatory takeover bid and the equitable price

7.—(1) Rules must ensure that a person (“P”) is required to make a takeover bid (“a mandatory takeover bid”) where—

- (a) P, or any person acting in concert with P, has acquired securities in a company, and
- (b) the acquired securities, when added to any existing securities held by P or by persons acting in concert with P, directly or indirectly give P control of that company.

(2) Rules must ensure that the mandatory takeover bid must be addressed at the earliest opportunity to all of the holders of those securities for all their holdings at the equitable price.

(3) Rules must ensure that where control has been acquired following a voluntary takeover bid to all the holders of securities for all their holdings, the obligation referred to in sub-paragraph (1) to make a mandatory takeover bid no longer applies.

8.—(1) For the purposes of paragraph 7, “the equitable price” is the highest price paid for the same securities by the offeror, or by persons acting in concert with the offeror, over a period, determined by rules, of not less than 6 and not more than 12 months before the mandatory takeover bid is announced.

(2) Rules must ensure that if, after the mandatory takeover bid has been made public and before the offer closes for acceptance, the offeror or any person acting in concert with the offeror purchases securities at a price higher than the offer price, the offeror must increase the offer consideration so that it is not less than the highest price paid for the securities so acquired.

(3) Rules may confer power on the Panel to adjust the equitable price in circumstances and in accordance with criteria that are clearly determined.

 - (b) at least as an alternative where the securities purchased for cash over a relevant period by the offeror or by persons acting in concert with the offeror, taken together, carry 5% or more of the voting rights in the offeree company.
- (3) “A relevant period” is a period—
- (a) beginning at the same time as the period determined in accordance with paragraph 8(1), and
 - (b) ending when the offer closes for acceptance.

(3) Rules must ensure that, when the offer document is made public, the boards of directors of the offeree company and of the offeror must communicate it—

- (q) the national law which will govern contracts concluded between the offeror and the holders of the offeree company's securities as a result of the takeover bid and the competent courts.

Time allowed for acceptance

13.—(1) Rules must ensure that, subject to any provision made in accordance with paragraph 14, the time allowed for the acceptance of a takeover bid must not be less than the period of two weeks nor more than the period of 10 weeks beginning with the day after the date of publication of the offer document.

(2) Rules may provide that the maximum period allowed for acceptance of a takeover bid may be extended on the condition that the offeror gives at least two weeks' notice of the offeror's intention to close the takeover bid.

14.—(1) Rules may contain provision changing the time allowed for the acceptance of a takeover bid in specific cases.

17.—(1) Rules must ensure that, during the relevant period, the board of directors of the offeree company must obtain the prior authorisation of a general meeting of the company given for this purpose—

- (a) before taking any action, other than seeking alternative takeover bids, which may result in the frustration of the bid, and
- (b) in particular, before issuing any shares which may result in a lasting impediment to the offeror’s acquiring control of the offeree company.

(2) “The relevant period”—

- (a) begins when the board of directors of the offeree company receives the information that a decision to make a takeover bid has been made public, or at such earlier stage as rules may determine, and
- (b) ends when the result of the bid is made public or the bid lapses.

(3) Rules must ensure that, with regard to decisions taken before the beginning of the relevant period and not yet partly or fully implemented, a general meeting of the company must approve or confirm any decision—
