

EXPLANATORY MEMORANDUM TO
THE NORTHERN IRELAND (MINISTERIAL APPOINTMENT FUNCTIONS)
REGULATIONS 2019

2019 No. [XXXX]

1. Introduction

- 1.1 This explanatory memorandum has been prepared by the Northern Ireland Office and is laid before Parliament by Command of Her Majesty
- 1.2 This memorandum contains information for the Joint Committee on Statutory Instruments.

2. Purpose of the instrument

- 2.1 In the absence of devolved government in Northern Ireland, the Northern Ireland (Executive Formation and Exercise of Functions) Act 2018 (the “2018 Act”) amongst other key measures addresses the urgent need for key appointments to be made in Northern Ireland that would normally require Northern Ireland Ministers to be in office. Section 5 of the 2018 Act enables the relevant UK Minister to make certain, specified appointments - exercising the appointments functions already conferred on Northern Ireland Ministers. This instrument specifies further offices for the purposes of section 5, thereby enabling the Secretary of State – as the relevant UK Minister - to exercise Northern Ireland Ministers’ appointment functions in relation to those offices.

3. Matters of special interest to Parliament

Matters of special interest to the Joint Committee on Statutory Instruments

- 3.1 This instrument will come into force on the day after the day on which it is made. The instrument needs to come into force at the earliest opportunity to enable appointment functions to be exercised. In particular, the term of the current Commissioner for Children and Young People for Northern Ireland will expire on 1 March 2019 and an appointment will need to be made before then. The instrument does not, however diminish the legal rights of persons affected, impose new duties on such persons or require them to adopt different patterns of behaviour¹. On the contrary it will enable vital appointment functions to be exercised at the earliest opportunity.

Matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business (English Votes for English Laws)

- 3.2 The territorial application of this instrument is limited to Northern Ireland.
- 3.3 This instrument enables public appointments to be made to specified Northern Ireland public bodies; it has no application elsewhere in the UK.

“In my view the provisions of the Northern Ireland (Ministerial Appointment Functions) Regulations 2019 are compatible with the Convention rights.”

6. Legislative Context

- 6.1 Section 5 of the 2018 Act enables a relevant Minister of the Crown to exercise the appointment functions (a term that is defined in section 8(1)) of a Northern Ireland Minister in respect of specified offices. The 2018 Act as enacted included five specified offices all of which were in the policing and criminal justice field (Member of the Northern Ireland Judicial Appointments Commission; Member of the Northern Ireland Policing Board; Member of the Police Service of Northern Ireland above the rank of chief superintendent; Member, chair or deputy chair of the Probation Board for Northern Ireland; and Police Ombudsman for Northern Ireland).
- 6.2 This instrument adds six further offices in respect of which the appointment functions of a Northern Ireland Minister may be exercised by the relevant UK Minister – here the Secretary of State. Further details of those offices are provided below in paragraph 7.

7. Policy background

What is being done and why?

- 7.1 This instrument applies to appointment functions relating to a number of devolved public bodies. The UK Government remains committed to restoring devolution in Northern Ireland. However, in the absence of devolved government in Northern Ireland it has been necessary for the UK Government to take strategic legislative interventions to ensure good governance is maintained in the interim.
- 7.2 The 2018 Act, amongst other key measures, addressed the need for urgent critical appointments to be made to the bodies listed above in paragraph 6.1. Under the powers conferred by the 2018 Act, the Secretary of State for Northern Ireland also gave a commitment to make further critical appointments that may arise within Northern Ireland in the absence of an Executive.
- 7.3 The Northern Ireland Office has engaged with the Northern Ireland Civil Service to assess outstanding appointments and identify those which are critical appointments. This included a thorough assessment of what the impact would be on public services should appointments not be made to these offices. This instrument specifies those offices that have been deemed critical which are: The Attorney General for Northern Ireland; Commissioner for Children and Young People for Northern Ireland; Member of the Commission for Victims and Survivors for Northern Ireland; Member, chair or vice-chair of the Northern Ireland Housing Executive; Member or chair of the

Livestock and Meat Commission; and, Member or chair of the Northern Ireland Local Government Officers' Superannuation Committee.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

8.1 This instrument does not relate to withdrawal from the European Union.

9. Consolidation

9.1 There are currently no plans to consolidate the relevant legislation.

10. Consultation outcome

10.1 Since the passing of the 2018 Act, the Northern Ireland Office has engaged with the Northern Ireland Civil Service to identify the further critical appointments that are included in this instrument. The main Northern Ireland Political Parties have also been consulted and have not raised any concerns with the bodies included in this instrument.

11. Guidance

11.1 No further guidance is being published alongside this instrument.

12. Impact

12.1 There is no, or no significant, impact on business, charities or voluntary bodies.

12.2 There is no, or no significant, impact on the public sector.

12.3 An Impact Assessment has not been prepared for this instrument because no impact on business is foreseen as the legislation only relates to public bodies. Although there will be an impact on the six public bodies listed in the instrument; this will enable appointments to be made to them that could not be made previously.

13. Regulating small business

13.1 The legislation does not apply to activities that are undertaken by small businesses.

14. Monitoring & review

14.1 UK Ministers may only exercise appointment functions of Northern Ireland Ministers in relation to specified offices during the period while there is no Northern Ireland Executive. That period will end on the next occasion that all Ministerial offices in Northern Ireland are filled (see section 8(1) of the 2018 Act). The Northern Ireland Office will continue to engage with the Northern Ireland Civil Service to identify further critical appointments that may arise until such a time that a Northern Ireland Executive is in place.
