2020 No.

The Greenhouse Gas Emissions Trading Scheme Order 2020

PART 7

Enforcement

CHAPTER 2

Civil penalties

Aviation: failure to monitor aviation emissions

63.—(1) An aircraft operator is liable to a civil penalty where the aircraft operator fails to monitor aviation emissions in accordance with article 32(1).

(2) The civil penalty is—

- (a) £20,000; and
- (b) a daily penalty at a daily rate of £500 for each day that the person fails to monitor aviation emissions in accordance with article 32(1), beginning with the day on which the initial notice is given, up to a maximum of £45,000.
