2020 No.

**The Health Protection (Coronavirus, Testing
Requirements and Standards) (England) Regulations 2020**

Applicable tests

- 3.—(1) An applicable test is a test for the detection of coronavirus which is—
- (a) provided in a single end-to-end testing service (whether or not the provider arranges with another person (“X”) for X to provide one or more elements of the service on their behalf);
 - (b) provided in the course of a business;
 - (c) not a test provided or administered under the National Health Service Act 2006⁽¹⁾;
 - (d) not a test provided by a person (P) solely to—
 - (i) P’s employees;
 - (ii) persons contracted to provide services to P; or
 - (iii) both of the above; and
 - (e) administered on or after 1st January 2021.
- (2) In this regulation—
- (a) “coronavirus” means severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2);
 - (b) “single end-to-end testing service” means a service which comprises arranging to provide the test to the person to be tested, collecting and processing the sample to be tested, and providing the test result to that person.
